

Measure I Bond Program Project Schedule
(Shaded Bar Reflects Estimated Time for Board Approvals - Design - DSA - Construction)

			2015			2016			2017			2018			2019		
			Spring	Summer	Fall	Spring	Summer	Fall	Spring	Summer	Fall	Spring	Summer	Fall	Spring	Summer	Fall
Site			Projects			Projects			Projects			Projects			Projects		
1																	
2	Various Sites	Roofing Projects	Sites: Alameda, Bay Farm, Chipman (AOA/Adult), Earhart, Edison, Encinal, Franklin, Maya Lin, Lincoln, Longfellow (Island/WCDC), Paden, Wood														
3	Various Sites	Paving Projects	Sites: Alameda, Earhart, Haight, Lincoln, Lum														
4																	
5	All Sites	Safety/Security: Lights, locks, gates, fences (timeline for each site will be selected based on other on-site projects)															
6																	
7																	
8	Lum	Replace windows. Install new heating system. New roofing.															
9	Maya Lin	Replace windows. New heating system.															
10	Otis	Build 6 new classrooms; remove 2 portables															
11	Bay Farm	Site improvements to address shifting walkways/entryways															
12																	
13																	
14	All Sites	Clocks, bells, speakers, phones			Const-Phase I						Const-Phase II						
15	Wood	Build 3 new STEAM classrooms. Remove portables. Mechanical/electrical.															
16	Paden	Classroom modernization. Reconfigure 1 new science classroom. Mechanical/electrical.															
17																	
18	Edison				Classroom modernization. Mechanical/electrical.												
19																	
20	Bay Farm				Build 4 new classrooms. Mechanical/electrical.												
21	Franklin				Reconfigure science classroom. 3 new Kinder classrooms. Remove 2 modular/port classrooms. Mechanical/electrical.												
22	Maya Lin				Modernize 2 existing classrooms. Mechanical/electrical.												
23	Lincoln				Modernize 1 science and 1 computer lab. Mechanical/electrical.												
24	Woodstock (Nea/ACLC)				Mechanical/electrical.												
25	Chipman (AOA/Adult)				Mechanical/electrical.												
26																	
27	Lum				Build 1 new science classroom. Build 3 new kindergarten classrooms.												
28																	
29	Otis							Modernize 2 existing kindergarten classrooms. Mechanical/electrical.									
30	Earhart							Build 6 classroom building. Remove four portables. Mechanical, electrical									
31	Haight							Reconfigure east wing to 1 new science classroom and 4 new kinder classrooms. Build 2 new classrooms. Mechanical/electrical.									
32	Ruby Bridges							Reconfigure 1 existing classroom into 1 science classroom. Mechanical/electrical.									

The estimated timelines above are subject to change based on the design process, District staff and Board approvals, the Division of the State Architect (DSA) approval process, actual construction periods, and possible changes to the entire Project Schedule.
