

RUBY BRIDGES ELEMENTARY SCHOOL

presents

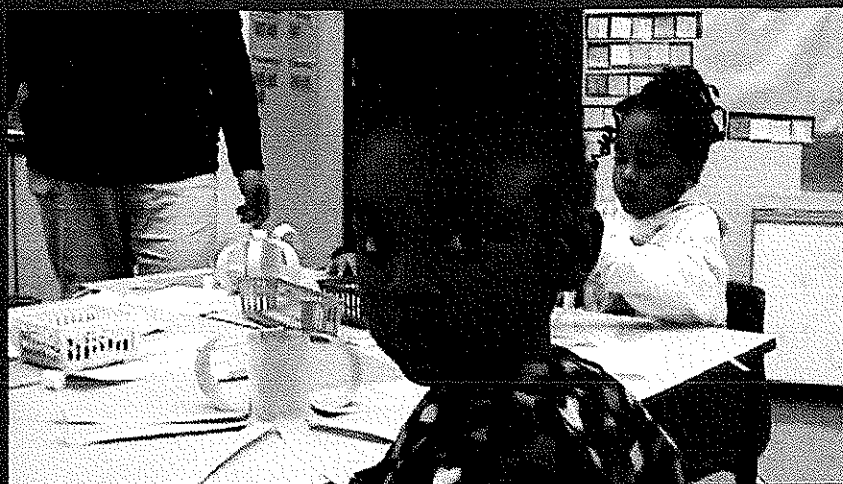

Examples of Student Discourse

**aligned with the
English Language Development and
Common Core State Standards**

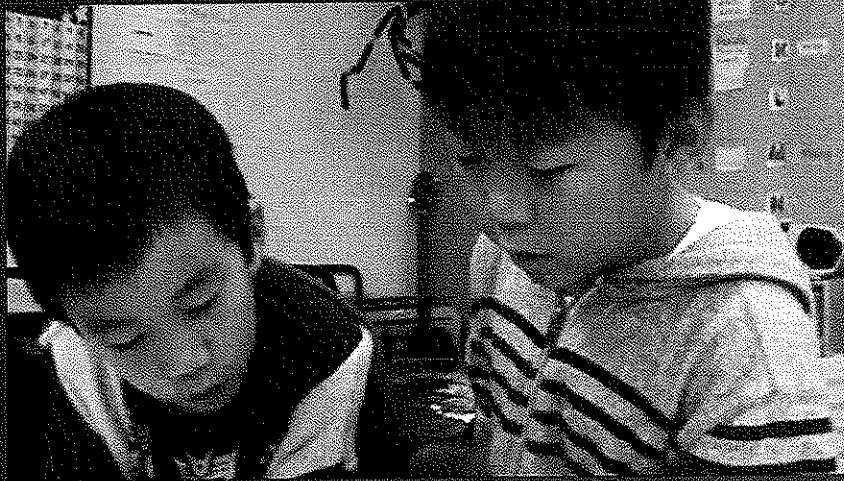

This presentation was organized
with the support of students and teachers
in the following classes:

Ms. Wu, Ms. Yudenfreund,
Ms. Escalante, and Mr. Gordon

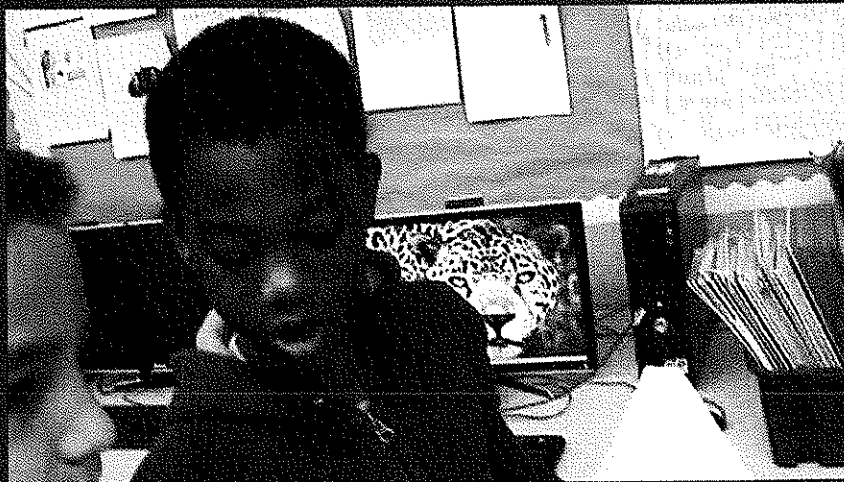

**Kindergarten students explain
the lifecycle of a pumpkin.**

Second grade students work collaboratively on a research project.

Third grade students explain and share problem solving procedures.

Fifth grade student explains how her computer project helps her learn multiples, factors, prime factors and composite numbers.
