Board Policy

Suspension And Expulsion/Due Process

BP 5144.1

Students

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.2 - Bullying)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law and the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any district school or other school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus

(cf. 5112.5 - Open/Closed Campus)

4. During, going to, or coming from a school-sponsored activity

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Appropriate Use of Suspension and Expulsion

Except when a student commits an act that violates Education Code 48900(a)-(e) or his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct.

Except when a student commits an act listed in Education Code 48915(c), the Superintendent or designee shall have the discretion to determine whether to recommend to the Board that the student be expelled.

(cf. 5131.7 - Weapons and Dangerous Instruments)

To correct the behavior of any student who is subject to discipline, the Superintendent or designee shall, to the extent allowed by law, first use alternative disciplinary strategies specified in AR 5144 - Discipline. (Education Code 48900.5, 48900.6)

(cf. 1020 - Youth Services)

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 5144 - Discipline)

(cf. 6142.4 - Service Learning/Community Service Classes)

(cf. 6164.2 - Guidance/Counseling Services)

(cf. 6164.5 - Student Success Teams)

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

(cf. 5113 - Absences and Excuses)

(cf. 5113.1 - Chronic Absence and Truancy)

District staff shall not suspend any student for disruption or willful defiance, unless the suspension is warranted by documented repetitive behavior of the student or the disruption or willful defiance occurred in conjunction with another violation for which the student may be suspended.

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to classroom or school removal.

Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code 48911, 48915, 48915.5, 48918)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Removal from Class by a Teacher and Parental Attendance

When suspending a student from class for committing an obscene act, engaging in habitual profanity or vulgarity, disrupting school activities, or otherwise willfully defying valid staff authority, the teacher of the class may require any parent/guardian who lives with the student to attend a portion of the school day in the class from which the student is being suspended, to assist in resolving the classroom behavior problems. (Education Code 48900.1)

Teachers should reserve the option of required parental attendance for cases in which they have determined that it is the best strategy to promote positive interaction between the teacher and the student and his/her parents/guardians and to improve the student's behavior.

Any teacher requiring parental attendance pursuant to this policy shall apply the policy uniformly to all students within the classroom. (Education Code 48900.1)

When a teacher requires parental attendance, the principal shall send a written notice to the parent/guardian stating that his/her attendance is required pursuant to law and that, if there are reasonable factors that may prevent the parent/guardian from complying with the requirement, he/she should contact the school. (Education Code 48900.1)

(cf. 5145.6 - Parental Notifications)

A parent/guardian who has received a written notice shall attend class as specified in the notice. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)

At the meeting with the student's parent/guardian, the principal or designee shall explain the district's and school's discipline policies, including the disciplinary strategies that may be used to achieve proper student conduct.

When a parent/guardian does not respond to the request to attend school, the principal or designee shall contact him/her by any method that maintains the confidentiality of the student's records.

(cf. 5125 - Student Records)

District regulations and school-site rules for student discipline shall include procedures for implementing parental attendance requirements. Parents/guardians shall be notified of this

policy prior to its implementation. (Education Code 48900.1)

Supervised Suspension Classroom

*

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

Decision Not to Enforce Expulsion Order

Upon voting to expel a student, the Board may suspend enforcement of the expulsion order pursuant to the requirements of law and administrative regulation. (Education Code 48917)

Maintenance and Monitoring of Outcome Data

The Superintendent or designee shall annually present to the Board a report of the outcome data which the district is required to collect pursuant to Education Code 48900.8 and 48916.1, including the number of students recommended for expulsion, the grounds for each recommended expulsion, the actions taken by the Board, the types of referral made after each expulsion, and the disposition of the students after the expulsion period.

The report shall be disaggregated by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, foster youth, and students with disabilities. The report also shall include information about whether and how the district is meeting its goals for improving school climate as specified in its local control and accountability plan.

Board Policy

Advanced Placement

BP 6141.5

Instruction

To encourage district students to challenge themselves academically, develop college-level skills, and be more competitive when applying for admission to postsecondary institutions, the Governing Board shall offer opportunities to high school students to take Advanced Placement (AP) courses and pass AP examinations.

(cf. 0200 - Goals for the School District)
(cf. 6172 - Gifted and Talented Student Program)
(cf. 6172.1 - Concurrent Enrollment in College Classes)

The Board desires to provide at least four AP courses at each high school. The Superintendent or designee shall recommend subject areas for AP courses at each school based on student interest and the availability of qualified certificated staff, instructional materials, and other resources. The Superintendent or designee shall also explore alternative methods of delivering AP courses, such as online courses or distance learning.

The Superintendent or designee may consult and collaborate with feeder schools to ensure that students are offered the opportunity to take coursework that will prepare them for AP courses.

(cf. 6141 - Curriculum Development and Evaluation)
(cf. 6143 - Courses of Study)
(cf. 6146.11 - Alternative Credits Toward Graduation)

All students who meet course prerequisites shall have equal access to AP courses.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Grades for AP courses shall be assigned in accordance with Board policy and administrative regulation.

(cf. 5121 - Grades/Evaluation of Student Achievement)

The Superintendent or designee shall make efforts to encourage students to participate in AP courses and to take end-of-course AP exams by creating support systems for AP students, such as resource centers and programs to recognize student accomplishments. In addition, the Superintendent or designee may explore partnerships with colleges and universities to help

encourage students to pursue postsecondary education.

(cf. 5126 - Awards for Achievement)

(cf. 6164.2 - Guidance/Counseling Services)

To increase the capacity of district schools to offer AP courses, the Superintendent or designee shall provide staff development and support to teachers of such courses. This professional development may include, but is not limited to, opportunities for teachers to obtain information on the curriculum of specific courses, instructional methods, and data-driven decision making; mentoring for prospective teachers of AP courses; and opportunities for staff within the district to share course syllabi and practices.

(cf. 4111/4211/4311 - Recruitment and Selection)

(cf. 4113 - Assignment)

(cf. 4131 - Staff Development)

*

The Board desires that every district AP course receive authorization to use the AP designation by the College Board. To that end, the Superintendent or designee shall coordinate the process for submitting courses for approval as part of the College Board AP course audit.

Examination Fee

To the extent feasible, the district shall reduce the cost of AP examination fees for eligible low-income students. At the beginning of each school year, the Superintendent or designee shall notify parents/guardians of the availability of funds for this purpose and shall provide information on how income-eligible students may apply for funding.

Board Policy

Mathematics Instruction

BP 6142.92

Instruction

The Governing Board desires to offer a rigorous mathematics program that progressively develops the knowledge and skills students will need to succeed in college and career. The district's mathematics program shall be designed to teach mathematical concepts in the context of real-world situations and to help students gain a strong conceptual understanding, a high degree of procedural skill and fluency, and ability to apply mathematics to solve problems.

(cf. 6143 - Courses of Study)

(cf. 6146.1 - High School Graduation Requirements)

*

*

For each grade level, the Board shall adopt academic standards for mathematics that meet or exceed the Common Core State Standards. The Superintendent or designee shall develop or select curricula that are aligned with these standards and the state curriculum framework.

(cf. 6011 - Academic Standards)

(cf. 6141 - Curriculum Development and Evaluation)

The district's mathematics program shall address the following standards for mathematical practices which are the basis for mathematics instruction and learning:

1. Overarching habits of mind of a productive mathematical thinker: Making sense of problems and persevering in solving them; attending to precision
2. Reasoning and explaining: Reasoning abstractly and quantitatively; constructing viable arguments and critiquing the reasoning of others
3. Modeling and using tools: Modeling with mathematics; using appropriate tools strategically
4. Seeing structure and generalizing: Looking for and making use of structure; looking for and expressing regularity in repeated reasoning

In addition, the program shall be aligned with grade-level standards for mathematics content.

For grades K-8, content shall address, at appropriate grade levels, counting and cardinality, operations and algebraic thinking, number and operations in base ten, fractions, measurement and data, geometry, ratios and proportional relationships, functions, expression and equations, the number system, and statistics and probability. Students shall learn the concepts and skills that prepare them for the rigor of higher mathematics.

*

For higher mathematics, the district shall offer a pathway of courses through which students shall be taught concepts that address number and quantity, algebra, functions, modeling, geometry, and statistics and probability.

The Superintendent or designee shall ensure that certificated staff have opportunities to participate in professional development activities designed to increase their knowledge and skills in effective mathematics teaching practices.

(cf. 4131 - Staff Development)
(cf. 4331 - Staff Development)

The Superintendent or designee shall ensure that students have access to sufficient instructional materials, including manipulatives and technology, to support a balanced, standards-aligned mathematics program.

(cf. 0440 - District Technology Plan)
(cf. 1312.2 - Complaints Concerning Instructional Materials)
(cf. 1312.4 - Williams Uniform Complaint Procedures)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)
(cf. 6161.11 - Supplementary Instructional Materials)
(cf. 6163.1 - Library Media Centers)

The Superintendent or designee shall provide the Board with data from state and district mathematics assessments and program evaluations to enable the Board to monitor program effectiveness.

Student Assessment

BP 6162.5

Instruction

The Governing Board recognizes that student assessments are an important instructional and accountability tool. Assessment data shall be used to help determine individual students' progress, mastery of academic standards, appropriate placement in district programs, and/or eligibility for graduation. In addition, summary data on student assessment results shall be used by the district to identify and review student achievement goals in the district's local control and accountability plan, evaluate district educational programs in order to identify needed improvements, and, as appropriate, evaluate staff performance.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 0500 - Accountability)
(cf. 2140 - Evaluation of the Superintendent)
(cf. 4115 - Evaluation/Supervision)
(cf. 4315 - Evaluation/Supervision)
(cf. 5121 - Grades/Evaluation of Student Achievement)
(cf. 5123 - Promotion/Acceleration/Retention)
(cf. 6011 - Academic Standards)
(cf. 6142.7 - Physical Education and Activity)
(cf. 6162.51 - State Academic Achievement Tests)
(cf. 6162.52 - High School Exit Examination)
(cf. 6190 - Evaluation of the Instructional Program)

To obtain the most accurate evaluation of student performance, the district shall use a variety of measures, including district, state, and/or national assessments. As appropriate, assessment results shall be disaggregated by student subgroup, classroom, grade level, and/or school site to allow for critical analysis of student needs.

(cf. 3553 - Free and Reduced Price Meals)

In selecting or developing any district assessment, the Superintendent or designee shall examine evidence of its reliability, its validity for the intended purpose and for various student populations, and the extent to which it aligns with the material that is being taught.

The Superintendent or designee shall ensure that assessments are administered in accordance with law and the test publisher's directions and that test administration procedures are fair and equitable for all students.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 6162.54 - Test Integrity/Test Preparation)

The Superintendent or designee shall provide professional development as needed to assist administrators and teachers in interpreting and using assessment data to improve student performance and the instructional program.

(cf. 4131 - Staff Development)

(cf. 4331 - Staff Development)

When districtwide and school-level results of student assessments are published by the state, the Superintendent or designee may provide supplementary information to assist parents/guardians and the community in understanding test results.

(cf. 0510 - School Accountability Report Card)

Individual Record of Accomplishment

The Superintendent or designee shall ensure that each student, by the end of grade 12, has an individual record of accomplishment that includes the following: (Education Code 60607)

1. The results of the state achievement tests administered pursuant to Education Code 60640-60649 or any predecessor assessments
2. The results of any end-of-course examinations taken
3. The results of any vocational education certification examinations taken

(cf. 6178 - Career Technical Education)

No individual record of accomplishment shall be released to any person, other than the student's parent/guardian or a teacher, counselor, or administrator directly involved with the student, without the written consent of the student's parent/guardian, or the student if he/she is an adult or emancipated minor. The student or his/her parent/guardian may authorize the release of the record of accomplishment to a postsecondary educational institution for the purposes of credit, placement, or admission. Board Policy

Test Integrity/Test Preparation

BP 6162.54

Instruction

The Governing Board desires to protect the integrity of student assessments in order to obtain accurate and reliable student achievement data and to ensure accountability to the community and state. Staff and students shall maintain a high level of integrity in the completion and handling of student assessments.

(cf. 0500 - Accountability)
(cf. 4119.21/4219.21/4319.21 - Professional Standards)
(cf. 5131 - Conduct)
(cf. 5131.9 - Academic Honesty)
(cf. 6162.5 - Student Assessment)
(cf. 6162.51 - State Academic Achievement Tests)
(cf. 6162.52 - High School Exit Examination)

In administering standardized tests, staff shall not engage in any acts that could result in the invalidation of test results, such as:

1. Providing inappropriate test preparation
2. Modifying test administration procedures, except as allowed by law
3. Providing inappropriate assistance to students during test administration
4. Changing or filling in answers on student answer sheets
5. Providing inaccurate data on student header sheets
6. Discouraging or excluding certain students from taking the test
7. Engaging in any other practice to artificially raise student scores without actually improving underlying student achievement

Appropriate Test Preparation

The Superintendent or designee, principals, and teachers shall not implement any program for the sole purpose of test preparation of students for the statewide assessment system or a

particular test used in the statewide assessment system. (Education Code 60611)

The primary preparation for assessments shall be high-quality instruction in the content specified in state and district academic standards. In addition, staff may prepare students for assessments by teaching general test-taking strategies and familiarizing them with item types or the computer-based testing environment used in state assessments.

(cf. 6011 - Academic Standards)

Investigation and Consequences of Testing Irregularities

Reports of cheating on assessments shall be submitted to the Superintendent or designee. The Superintendent or designee shall immediately investigate with due diligence any reports of inappropriate test preparation or other testing irregularities.

Students found to have cheated on assessments shall be subject to disciplinary procedures in accordance with Board policy and administrative regulations.

(cf. 5144 - Discipline)

A staff member found to have committed testing irregularities shall be subject to discipline in accordance with law, applicable collective bargaining agreements, Board policy, and administrative regulations.

(cf. 4117.4 - Dismissal)

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

If the Superintendent or designee is made aware of a testing irregularity on state assessments, he/she shall report the irregularity to the California Department of Education.
