

Amelia Earhart Elementary School
We are soaring to excellence.

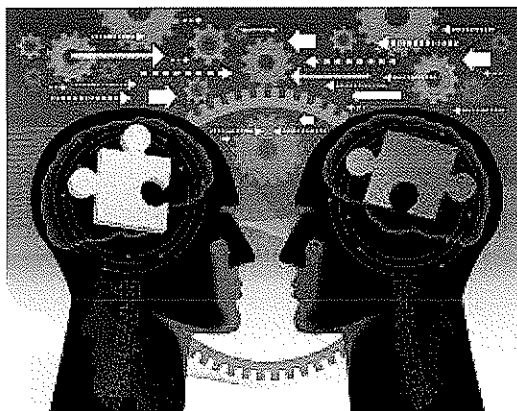

Collaboration –

the action of working with someone to make or create something

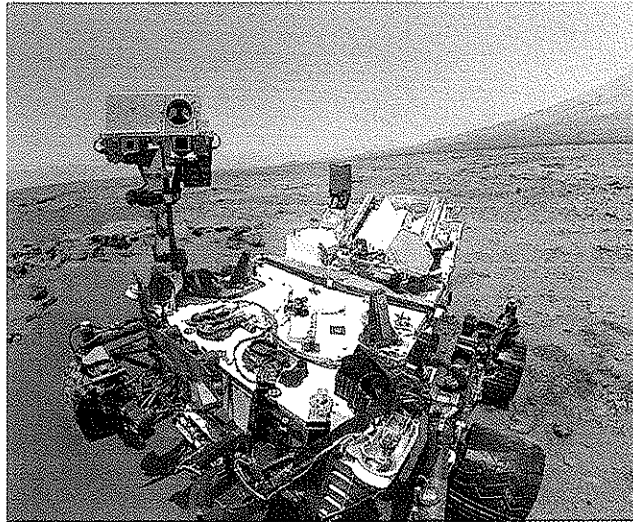

Collaborating in science investigations and STEM challenges

Next Generation
Science Standards

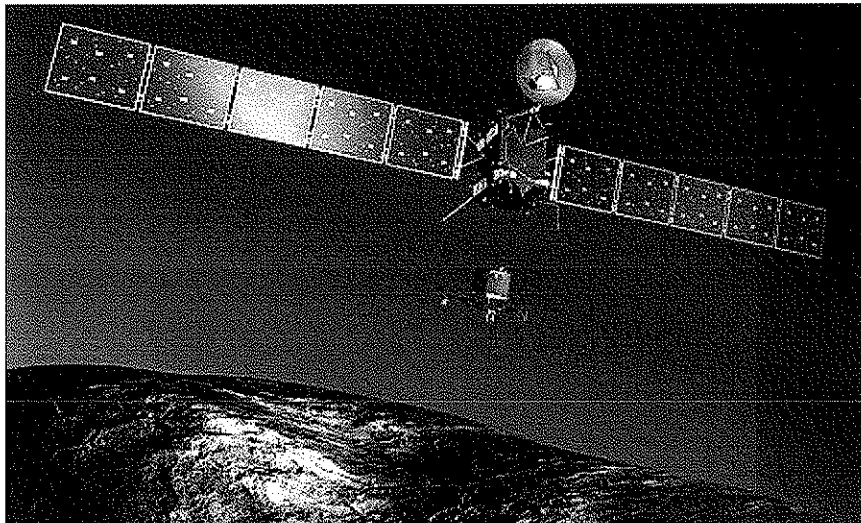

Science
Technology
Engineering
Mathematics

Collaborating to discover more about Curiosity

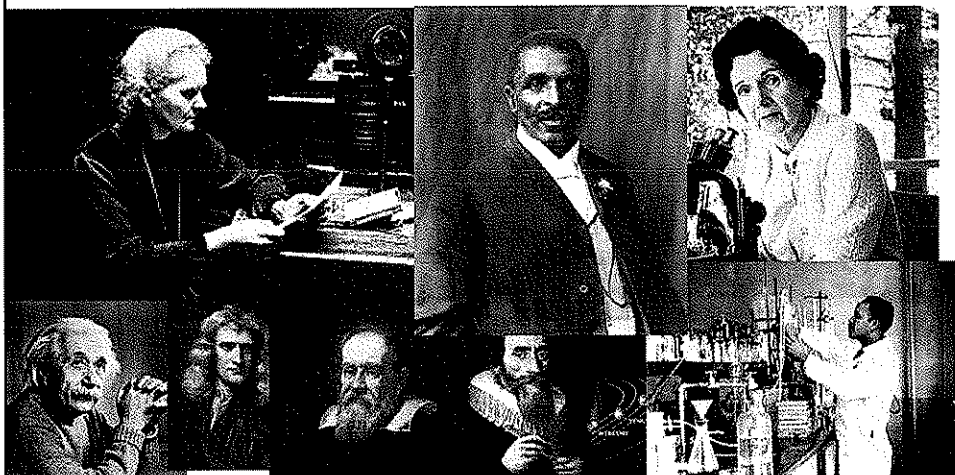

and.....

Rosetta and the Philae lander

Collaborating to learn more about
innovative giants...

Collaborating to write a

SONG!

Music

Science

Technology

Engineering

Math

We will use "Happy" as our melody.
Let's collaborate to write the lyrics
for our year 3 theme song!
