ALAMEDA UNIFIED SCHOOL DISTRICT PROJECT LABOR AGREEMENT

PREAMBLE

The purpose of this Agreement is to promote efficiency of construction operations during the Alameda Unified School District Measure I New Construction and Modernization Projects ("Projects") as defined herein, and to provide for peaceful settlement of labor disputes and grievances without strikes or lockouts, thereby promoting the public interest in assuring the timely and economical completion of the Projects, while also helping to increase training and employment opportunities for the District's students in the construction trades through apprenticeship and pre-apprentice programs as the students graduate from the District's schools.

The relevant skilled work force requirements described in Education Code section 17407.5 as that statute relates to the commitment that a skilled and trained workforce will be used to perform the Project(s), is deemed to have been established by any Contractor becoming a signatory to this Agreement.

RECITALS

WHEREAS, the timely and successful completion of the Projects is of the utmost importance to the Alameda Unified School District ("District") to meet the educational needs of the District's students and to avoid increased costs resulting from delays in construction; and

WHEREAS, large numbers of workers of various skills will be required in the performance of the construction work, including those to be represented by the unions affiliated with the Building and Construction Trades Council of Alameda County ("Unions") and any other labor organization which is signatory to this Agreement employed by contractors and subcontractors who are signatory to this Agreement; and

WHEREAS, it is recognized that on projects of this magnitude with multiple contractors and bargaining units on the job site at the same time over an extended period of time, the potential for work disruption is substantial without an overriding commitment to maintain continuity of work; and

WHEREAS, the interests of the general public, the District, the Unions and Contractor/Employer(s) would be best served if the construction work proceeded in an orderly manner without disruption because of strikes, sympathy strikes, work stoppages, picketing, lockouts, slowdowns or other interferences with work; and

WHEREAS, the Contractor/Employers and the Unions desire to mutually establish and stabilize wages, hours and working conditions for the workers employed on the Projects by the Contractor/Employer(s), and further, to encourage close cooperation among the Contractor/Employer(s) and the Union(s) to the end that a satisfactory, continuous and harmonious relationship will exist among the parties to this Agreement; and

WHEREAS, the Agreement is not intended to replace, interfere, abrogate, diminish or modify existing local or national collective bargaining Agreements in effect during the duration of the Projects, insofar as a legally binding Agreement exists between the Contractor/Employer(s) and the affected Union(s) except to the extent that the provisions of this Agreement are inconsistent with said collective bargaining Agreements, in which event, the provisions of this Agreement shall prevail; and

WHEREAS, the contracts for construction work on the Projects will be awarded in accordance with the applicable provisions of the Public Contract Code, Education Code and other applicable California law; and

WHEREAS, the funding for the construction of the Projects will come from Measure I, passed by the Alameda residents, and paid for by the Measure I special tax on the properties owned by Alameda residents, in contrast to typical California school projects, which are funded through a balance of local and State funds; and

WHEREAS, the District has the absolute right to select the lowest responsive and responsible bidder for the award of the construction contracts on the Projects, or to reject all bid proposals, or to use other legal project delivery methodologies; and

WHEREAS, the District places high priority upon the development of comprehensive programs for the recruitment, training and employment of local area residents and has identified the need to prepare its students for lifelong careers and continuing education, recognizing the ability of local apprenticeship programs to provide meaningful and sustainable careers in the building and construction industry; and

WHEREAS, the parties signatory to this Agreement pledge their full good faith and trust to work towards a mutually satisfactory completion of the Projects;

NOW, THEREFORE, it is agreed between and among the parties hereto, as follows:

3.3 At the time that any Contractor/Employer enters into a subcontract with any subcontractor providing for the performance of the Construction Contract, the Contractor/Employer(s) shall provide a copy of this Agreement, as it may from time to time be modified, to said subcontractor and shall require the subcontractor as a part of accepting an award of a construction subcontract to agree in writing to be bound by each and every provision of this Agreement prior to the commencement of work. This Agreement shall only be binding on the signatory parties hereto and shall not apply to the parents, affiliates, subsidiaries, or other ventures of any such party.

ARTICLE 4. WORK STOPPAGES, STRIKES, SYMPATHY STRIKES AND LOCKOUTS

4.1 The Unions, District and Contractor/Employers covered by the Agreement agree that for the duration of the Projects:

4.1.1 There shall be no strikes, sympathy strikes, work stoppages, picketing, hand billing or otherwise advising the public that a labor dispute exists, or slowdowns of any kind, for any reason, by the Unions or employees employed on the Projects, at the job site of the Projects or at any other facility or construction project of District because of a dispute on the Projects. Disputes arising between the Unions and Contractor/Employers on other District projects are not governed by the terms of the Agreement or this Article.

4.1.2 As to employees employed on the Projects, there shall be no lockout of any kind by a Contractor/Employer covered by the Agreement.

4.1.3 If a Master Agreement expires before the Contractor/Employer completes the performance of the Construction Contract the Union agrees that it will not strike the Contractor/Employer on said contract for work covered under this Agreement and the Union and the Contractor/Employer agree that the expired Master Agreement shall continue in full force and effect for work covered under this Agreement until a new or modified Master Agreement is reached. If the new or modified Master Agreement provides that any terms of the Master Agreement shall be retroactive, the Contractor/Employer agrees to comply with any retroactive terms of the new or modified master collective bargaining Agreement which are applicable to employees who were employed on the projects during the interim with retroactive payment due within seven (7) days of the effective date of the modified Master Agreement.

4.1.4 In the case of nonpayment of wages and trust fund contributions on the Projects, the Union shall give the District and the Contractor/Employer(s) three (3) business day notice of the intent when nonpayment of trust funds has occurred and three (3) business days' notice when nonpayment of wages has occurred or when paychecks being tendered to a financial institution normally recognized to honor such paychecks will not honor such paycheck as a result of insufficient funds, of the intent to withhold labor from the Contractor/Employer(s)' or their subcontractor's workforce, during which time the Contractor/Employer shall have the opportunity to correct the default. In this instance, a Union's withholding of labor (but not picketing) from an Contractor/Employer who has failed to pay his/its fringe benefit contributions or failed to meet his/its weekly payroll shall not be considered a violation of this Article. If the District contends that any Union has violated this Article, it will notify in writing (including email)

the Secretary-Treasurer/Business Manager/Senior Executive of the Council and the Senior Executive of the Union, setting forth the facts alleged to violate the Article, prior to instituting the expedited arbitration procedure set forth below. The Council will immediately use his/her best efforts to cause the cessation of any violation of this Article within 24 hours and the leadership of the Union will immediately inform the membership of their obligations under this Article. If, after the expiration of the 24-hour period, the District continues to contend that a Union has violated this article, the District institute the expedited arbitration procedure set forth below. The leadership of the Union will immediately inform the membership of their obligations under this Article.

4.2 Expedited Arbitration: Any party to this Agreement shall institute the following procedure, prior to invoking any other action at law or equity, when a breach of this Article is alleged to have occurred:

4.2.1 A party invoking this procedure shall notify Robert Hirsch, as the permanent arbitrator, or Barry Winograd, as the alternate arbitrator under this procedure. In the event that the permanent arbitrator is unavailable at any time, the alternate will be contacted. If neither is available, then a selection shall be made from the list of arbitrators in Article XIII.. Notice to the arbitrator shall be by the most expeditious means available, with notices by facsimile, email or telephone to the District and the party alleged to be in violation, and to the Council of Alameda County and the involved local Union if a Union is alleged to be in violation.

4.2.2 Upon receipt of said notice, the District shall contact the designated arbitrator, named above or the alternate who will attempt to convene a hearing within twenty-four (24) hours if it is contended the violation still exists. The Arbitrator shall notify the parties by facsimile, email or telephone of the place and time for the hearing. Said hearing shall be completed in one session, which, with appropriate recesses at the arbitrator's discretion, shall not exceed twenty-four (24) hours unless otherwise agreed upon by all parties. A failure of any party to attend said hearings shall not delay the hearing of evidence or the issuance of any award by the arbitrator.

4.2.3 The sole issue at the hearing shall be whether or not a violation of Article 4, Section 4.1 of the Agreement has occurred. The arbitrator shall have no authority to consider any matter of justification, explanation or mitigation of such violation or to award damages, which issue is reserved for court proceedings, if any. The award shall be issued in writing within three (3) hours after the close of the hearing, and may be issued without a written opinion. If any party desires a written opinion, one shall be issued within fifteen (15) days, but its issuance shall not delay compliance with or enforcement of the award. The arbitrator may order cessation of the violation of this Article and other appropriate relief and such award shall be served on all parties by hand or registered mail upon issuance. Should a party found in violation of this Article fail to comply with an Arbitrator's award to cease the violation, the party in violation shall pay to the affected party as liquidated damages the sum of ten thousand dollars (\$10,000.00) per shift for which it failed to comply, or portion thereof, until such violation is ceased. The Arbitrator shall retain jurisdiction to resolve any disputes regarding the liquidated damages claimed under this section.

4.2.4 Such award may be enforced by any Court of competent jurisdiction upon the filing of this Agreement and all other relevant documents referred to above in the following manner. Written notice of the filing of such enforcement proceedings shall be given to the other party. In the proceeding to obtain a temporary order enforcing the arbitrator's award as issued under Section 4.2(4) of this Article, all parties waive the right to a hearing and agree that such proceedings may be ex parte. Such Agreement does not waive any party's right to participate in a hearing for a final order of enforcement. The Court's order or orders enforcing the arbitrator's award shall be served on all parties by hand or delivered by certified mail.

4.2.5 Any rights created by statute or law governing arbitration proceedings inconsistent with the above procedure or which interfere with compliance are waived by the parties.

4.2.6 The fees and expenses of the arbitrator shall be divided equally between the parties.

4.2.7 If, after final order by any Court of competent jurisdiction, the offending party continues to breach the terms of Article 4 of this Agreement, the non-offending party shall have the option to recover monetary damages associated with the breaching party's failure to comply with the Agreement and court order, including but not limited to delay damages and escalation costs.

5.2 The conference shall be attended by a representative of each participating Contractor and each affected Union and the Council and District may attend at their discretion.

5.2 The pre-job conference shall include but not be limited to the following subjects:

5.2.1 A listing of each Contractor's scope of work;

5.2.2 The craft assignments;

5.2.3 The estimated number of craft workers required to perform the work;

- 5.2.4 Transportation arrangements;
- 5.2.5 The estimated start and completion dates of the work; and
- 5.2.6 Discussion of pre-fabricated materials.

5.3 Review Meetings: In order to ensure the terms of the PLA are being fulfilled and all concerns pertaining to the Agency, the Unions, and the Contractors are addressed, the Project Manager, General Contractor and Secretary Treasurer of the Council or designated representatives thereof shall meet on a periodic basis during the term of construction.

**ARTICLE 6.
NO DISCRIMINATION**

The Contractor/Employer(s) and Union(s) agree not to engage in any form of discrimination on the ground or because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability or Acquired Immune Deficiency Syndrome or AIDS Related Condition (AIDS/ARC), or any other basis made illegal by law against any employee, or applicant for employment, on the Projects.

**ARTICLE 7.

7.1 The Contractor/Employer(s) recognize the Union(s) as the sole bargaining representative of all craft employees working within the scope of this Agreement.

7.2 All employees who are employed by the Contractor/Employer(s) on the Projects shall, as a condition of employment, on or before the eighth (8th) day of consecutive or cumulative employment on a Construction Contract subject to this Agreement, be responsible for the payment of the applicable monthly working dues and any associated fees uniformly required for union membership in the local union which is signatory to this Agreement. Further, there is nothing in this Agreement that would prevent non-union employees from joining the local union.

7.3 Authorized representatives of the Union(s) shall have access to the Projects whenever work covered by this Agreement is being, has been or will be performed on the Projects.

**ARTICLE 8.
REFERRAL**

8.1 The Union(s) shall be the primary source of all craft labor employed on the Projects. However, in the event that a Contractor/Employer has his/her own Core workforce, the Contractor/Employer(s) may request by name, and the local shall honor, referral of persons who demonstrate the following qualifications:

8.2 The Union will refer to such Contractor/Employer(s) one journeyman employee from the hiring hall out-of-work list for the affected trade or craft, and will then refer one of such Contractor/Employer(s)' "core" employees as a journeyman and shall repeat the process, one and one, until such Contractor/Employer(s) crew requirements are met or until such Contractor has hired five (5) "core" employees, whichever occurs first. Thereafter, all additional employees in the affected trade or craft shall be hired exclusively from the hiring hall out-of-work list(s). For the duration of the Contractor/Employer(s)' work the ratio shall be maintained and when the Contractor/Employer(s)' workforce is reduced, employees shall be reduced in reverse order beginning with the core worker and in the same ratio of core employees to hiring hall referrals as was applied in the initial hiring. 8.3 Contractor/Employer(s) shall be bound by and utilize the registration facilities and referral systems established or authorized by the signatory Unions. In the event that referral facilities maintained by the Union(s) are unable to fill the requisition of a Contractor/Employer(s) for employees within a forty-eight (48) hour period, weekends and holidays excluded, after such requisition is made by the Contractor/Employer(s), the Contractor/Employer(s) shall be free to obtain work persons from any source. The Contractor/Employer(s) shall immediately notify the appropriate Union of the identity, including name, address, telephone number and social security number, of any such person(s) hired from an alternative source and refer the employee to the hall to comply with Article XII.

8.4 Unions will exert their utmost efforts to recruit sufficient numbers of skilled craft persons to fulfill the requirements of the Contractor/Employer(s),

8.5 Subject to the limitation of applicable law, the parties to this Agreement support the development of increased numbers of skilled construction workers from the residents of the City of Alameda, to meet the needs of the Projects and the requirements of the industry generally. Toward that end, the Unions agree to encourage the referral and utilization, to the extent permitted by law and the hiring hall procedures of the Unions, of qualified Alameda Residents, as journeymen and apprentices on the Projects and entrance into such apprenticeship and training programs as may be operated by the signatory Unions consistent with the applicable Apprenticeship Program's State-approved Standards.

**ARTICLE 9.

9.1 All Contractor/Employer(s) agree to pay contributions to the vacation, pension or other form of deferred compensation plan, apprenticeship, worker protection and assistance, and health benefit funds established by the applicable Master Agreement for each hour worked on the Projects in the amounts designated in the Master Agreements of the appropriate local Union.

9.2 By signing this Agreement, the Contractor/Employer(s) adopt and agree to be bound by the written terms of the legally established trust Agreements, as described in 9.1, and which may from time to time be amended, specifying the detailed basis on which payments are to be made into, and benefits paid out of, such trust funds. The Contractors authorize the parties to such local trust agreements to appoint trustees and successor trustees to administer the trust funds and hereby ratify and accept the trustees so appointed as if made by the Contractor(s). The Contractor(s) agrees to execute a Subscription Agreement(s) for Trust Funds when such Trust Fund(s) requires such document(s).

9.3 Wages, Hours, Terms and Conditions of Employment: The wages, hours and other terms and conditions of employment on the Projects shall be governed by the Master Agreement of the respective crafts, copies of which shall be on file with the District upon request, to the extent such Master Agreement is not inconsistent with this Agreement. Where a subject is covered by the Master Agreement and not covered in this Agreement, the Master Collective Bargaining Agreement will prevail. When a subject is covered by both the Master Collective Bargaining Agreement and this Agreement, to the extent there is any inconsistency, this Agreement will prevail.

**ARTICLE 10.
EMPLOYEE GRIEVANCE PROCEDURE**

All disputes involving discipline and/or discharge of employees working on the projects shall be resolved through the grievance and arbitration provision contained in the Master Agreement for the craft of the affected employee. No employee working on the Projects shall be disciplined or dismissed without just cause.

**ARTICLE 11.
COMPLIANCE**

It shall be the responsibility of the Contractor/Employer(s) and Unions to investigate and monitor compliance with the provisions of the Agreement contained in Article 9. Nothing in this Agreement shall be construed to interfere with or supersede the usual and customary legal remedies available to the Unions and/or employee benefit trust funds to collect delinquent trust fund contributions from Employers on the Projects. The District shall monitor and enforce compliance with the prevailing wage requirements of the State and Contractor/Employer(s)' compliance with this Project Labor Agreement.

ARTICLE 12.

ARTICLE 13.
GRIEVANCE ARBITRATION PROCEDURE

13.1 All Project labor disputes involving the application or interpretation of the Master Agreement to which a signatory Contractor/Employer and a signatory Union are parties shall be resolved pursuant to the resolution procedures of the Master Collective Bargaining Agreement. All disputes arising out of the meaning, interpretation or application of the provisions of this Agreement shall be settled by means of the procedures set out herein. No grievance shall be recognized unless the grieving party (Local Union or District Council on its own behalf, or on behalf of an employee whom it represents, or a Contractor/Employer on its own behalf) provides notice in writing to the signatory party with whom it has a dispute within ten (10) business days after becoming aware of the dispute but in no event more than thirty (30) business days after it reasonably should have become aware of the event giving rise to the dispute. The time limits in Section 13.1 may be extended by mutual Agreement (oral or written) of the parties.

13.2 Grievances shall be settled according to the following procedures:

Step 1: Within five (5) business days after the receipt of the written notice of the grievance, the Business Representative of the involved Local Union or District Council, or his/her designee, and the representative of the involved Contractor/Employer shall confer and attempt to resolve the grievance. The Union(s) shall notify its International Union representative(s), which shall advise if it intends on participating in a Step 2 meeting.

Step 2: In the event that the representatives are unable to resolve the dispute within the five (5) business days after its referral to Step 1, either involved party may submit it within three (3) business days to the Joint Administrative Subcommittee (consisting of one District and one Union representative of the Joint Administrative Committee), which shall meet within five (5) business days after such referral (or such longer time as is mutually agreed upon by all representatives on the Joint Administrative Committee), to confer in an attempt to resolve the grievance. The decision of the Joint Administrative Subcommittee shall be final and binding on all parties. If the dispute

is not resolved within such time five (5) business days after its referral or such longer time as mutually agreed upon, it may be referred within five (5) business days by either party to Step 3.

Step 3: Within five (5) business days after referral of a dispute to Step 3, the parties shall choose a mutually agreed upon arbitrator for final and binding arbitration. If the parties cannot mutually agree on the selection of an arbitrator, the arbitrator shall be selected by the alternate striking method from the following list: (Hirsch, Winograd, Riker, Davis, Engler) The order of striking names from the list of arbitrators shall be determined by a coin toss, the winner of which shall decide whether they wish to strike first or second. Such striking shall take place within three (3) days. If a party does not respond within three (3) days, this means any Arbitrator from the list is acceptable. The decision of the Arbitrator shall be binding on all parties. The Arbitrator shall have no authority to change, amend, add to or detract from any of the provisions of the Agreement. The expense of the Arbitrator shall be borne equally by both parties. The Arbitrator shall arrange for a hearing on the earliest available date from the date of his/her selection. A decision shall be given to the parties within five (5) calendar days after completion of the hearing unless such time is extended by mutual Agreement. A written opinion may be requested by a party from the presiding Arbitrator. The time limits specified in any step of the Grievance Procedure set forth in Section 13.2 may be extended by mutual Agreement of the parties initiated by the written request of one party to the other, at the appropriate step of the Grievance Procedure. However, failure to process a grievance, or failure to respond in writing within the time limits provided above, without a request for an extension of time, shall be deemed a waiver of such grievance without prejudice, or without precedent to the processing of and/or resolution of like or similar grievances or disputes. In order to encourage the resolution of disputes and grievances at Steps 1 and 2 of this Grievance Procedure, the parties agree that such settlements shall not be precedent setting.

13.3 Retention: At the time a grievance is submitted under this Agreement or any Master Agreement, the Union(s) may request that the District withhold and retain an amount from what is due and owing to the Contractor(s) against whom the grievance is filed, sufficient to cover the damages alleged in the grievance, should the Union(s) prevail. The amount shall be retained by the District until such time as the underlying grievance giving rise to the retention is withdrawn, settled, or otherwise resolved, and the retained amount shall be paid to whomever the parties to the grievance shall decide, or to whomever an Arbitrator shall so order.

13.4 Should any of the arbitrators listed in Article 4 or above no longer work as a labor arbitrator, the District and the Council, through the Joint Administrative Committee, shall mutually agree to a replacement.

ARTICLE 14.
JURISDICTIONAL DISPUTES

14.1 The assignment of Covered Work will be solely the responsibility of the Employer performing the work involved; and such work assignments will be in accordance with the Plan for the Settlement of Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.

14.2 All jurisdictional disputes on this Project between or among the Building and Construction Trades Unions and the Employers, parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department, or any other plan or method of procedure that may be adopted in the future by the Building and Construction Trades Department. Decisions rendered shall be final, binding and conclusive on the Employer and Union parties to this Agreement.

14.3 If a dispute arising under this Article involves the Northern California Carpenters Regional Council or any of its subordinate bodies, an Arbitrator shall be chosen by the procedures specified in Article V, Section 5, of the Plan from a list composed of John Kagel, Thomas Angelo, Robert Hirsch, and Thomas Pagan, and the Arbitrator's hearing on the dispute shall be held at the offices of the California State Building and Construction Trades Council in Sacramento, California, within 14 days of the selection of the Arbitrator. All other procedures shall be as specified in the Plan.

14.4 All jurisdictional disputes shall be resolved without the occurrence of any strike, work stoppage, or slow-down of any nature, and the Employer's assignment shall be adhered to until the dispute is resolved. Individuals violating this Section shall be subject to immediate discharge.

14.5 Each Employer shall conduct a Pre-Job Conference with the Council prior to commencing Covered Work. The Primary Employer and the Owner will be advised in advance of all such conferences and may participate if they wish. Pre-job conferences for different Employers may be held together.

ARTICLE 15.
MANAGEMENT RIGHTS

Consistent with the Master Labor Agreements, the Contractor/Employer(s) shall retain full and exclusive authority for the management of their operations, including the right to direct their work force in their sole discretion. No rules, customs or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees except that lawful manning provisions in the Master Agreement shall be recognized.

ARTICLE 16.
SAVINGS CLAUSE

16.1 The parties agree that in the event any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void as being in contravention of any applicable law, by a court of competent jurisdiction, the remainder of the Agreement shall remain in full

force and effect. The parties further agree that if any article, provision, clause, sentence or word of the Agreement is determined to be illegal or void, by a court of competent jurisdiction, the parties shall substitute, by mutual Agreement, in its place and stead, an article, provision, clause, sentence or word which will meet the objections to its validity and which will be in accordance with the intent and purpose of the article, provision, clause, sentence or word in question.

16.2 The parties also agree that in the event that a decision of a court of competent jurisdiction materially alters the terms of the Agreement such that the intent of the parties is defeated, then the entire Agreement shall be null and void.

16.3 If a court of competent jurisdiction determines that all or part of the Agreement is invalid and/or enjoins the District from complying with all or part of its provisions and the District accordingly determines that the Agreement will not be required as part of an award to a Contractor/Employer, the unions will no longer be bound by the provisions of Article 4.

ARTICLE 17.

TERM

17.1 The Agreement shall be included as a condition of the award of all construction contracts for the Projects.

17.2 This Agreement shall become effective on the day the District ratifies this Agreement and shall continue in full force and effect for a period of five years. The parties may mutually agree in writing to amend, extend or terminate this Agreement at any time.

ARTICLE 18.

ALAMEDA HIRE REQUIREMENTS

18.1 The Parties agree to a goal that Alameda Residents, and especially District Graduates, will perform a minimum of 20% of the hours worked, on a craft by craft basis on the Projects. In the event that no Alameda residents or District Graduates are available to fulfill the 20% local hire requirement, the next tier of residents will come from the Green Corridor. This includes, in addition to Alameda, the cities of Albany, Berkeley, El Cerrito, Emeryville, Richmond, Oakland, and San Leandro. The Contractor/Employer(s) shall make good faith efforts to reach this goal through the utilization of the Unions' hiring hall procedures. The Unions shall make good faith efforts in their recruiting and training of District Graduate and Alameda Resident workers and in their hiring hall procedures to facilitate this 20% goal on the Projects.

18.2 Should any of the contractors performing work on the Projects fail to meet this 20% goal and fail to demonstrate "good faith" efforts to do so, through a specific submittal process to be included in their contractual requirements, the contract's 10% retention will be held until such time that this failure is remedied. Acceptable remedies to correct continued failure may include, but not be limited to the following remedies, as determined by the Joint Administrative Committee (as established in Section 12):

18.2.1 Classification as a non-qualified bidder on future District projects;

18.2.2 Commitment, with documentation, to employ District Graduates, or

Green Corridor Residents on non-District projects for a determined number of work hours; and

18.2.3 Bringing in District Graduates and Alameda residents as new apprentices and continuing their employment for up to 12 months.

18.3 A Contractor/Employer(s) who has employed a District Graduate for up to six months preceding the start of the District project for a minimum of at least 100 hours per month and has the ability to perform safely the basic functions of the applicable trade may receive credit for 50% of these hours towards the 20% goal. A Contractor/Employer may also receive credit for 50% of the documented hours performed by District Graduates or Alameda Residents on the Contractor's non-District projects, when such hours are concurrent with the Contractor's work on the Projects.

18.4 The maximum total combined credit that can be applied for in 18.3 is half of the 20%.

18.5 The contractors may use District student intern's hours for credit towards the local hiring goals. Internships for credit may be up to three (3) interns per year at up to 3000 hours per year per intern.

18.6 Should any Contractor/Employer performing work on the Projects exceed the 20% local hire goal as set forth in this Agreement, they shall be acknowledged at the appropriate public, televised school board meeting for their efforts at the completion of their contract scope.

18.7 Apprenticeship Provision:

18.7.1 The Prime Contractor and their sub-contractors will be required to hire 1 District Graduate, Alameda Resident or Alameda Student as a first period apprentice for every 5 million dollars of total construction cost. There can be no more than 2 entry-level apprentices credited for each craft, and the general contractor will be able to include entry-level apprentices hired by their subcontractor to meet this requirement. The District will refer names of former students or recent graduates to the Union and Contractors and the Unions will agree to cooperate with the Contractor in furnishing apprentices as requested and the hiring of the apprentices will be in accordance to the Apprenticeship provisions listed in the Master Agreements, and the apprentices shall be properly supervised and paid in accordance with provisions contained within the Master Agreements. The failure of the District to refer names and/or the Union to provide those apprentices upon request will relieve the Prime contractor of this District Graduate/Alameda Resident/Student first period apprentice hiring responsibility.

18.7.2 The General Contractor, or subcontractor who hires such Alameda Resident/Student First Period Apprentices shall be credited with two work hours towards the 20% local work hours, for each hour worked by the first period Alameda Resident/Student apprentices.

18.7.3 The intent of this provision is to work the new apprentices to the full extent permissible by state law and the Master Agreements. Failure of the General Contractor and their subcontractors to maintain qualified apprentices on the job will be subject to Division of Apprenticeship Standards penalties, and further penalties as determined by the Joint Administrative Committee.

18.8 **Career Technical Education Program.** Both the District and the Building Trades agree that an active school to career program in the trades can be a benefit to many Alameda students. The Building Trades and the District agree to collaborate in the development and implementation of the District's Career Technical Education ("CTE") program.

18.9 The Building Trades agree to support the District's CTE programs by doing the following:

18.9.1 Assisting the District's CTE program by:

18.9.2 Providing speakers at least twice a year,

18.9.3 Escorting field trips to existing apprenticeship centers at least three times a year, per the school's schedule,

18.9.4 Mentoring students. Identify at least five individuals who will serve as mentors,

18.9.5 Internships for students. The Unions will explore providing internships. The Unions will assist the program in identifying willing contractors and suppliers to provide additional internships.

18.10 **Career Fairs.** Agree to actively participate with multiple trade booths in two career fairs per year.

18.11 Actively participate in helping to create and provide hands-on training for, pre-apprenticeship programs set up by the District for adult school and b-tech students. Such participation may begin slowly, but it is envisioned that the trades will spend no less than 100 hours per year in assisting this program.

18.12 Assist in exploring the feasibility of the District students participating in local pre-apprenticeship programs, such as the Cypress-Mandela program. Support the District efforts with this program if a mutual Agreement with such a program can be worked out.

18.13 The parties agree to meet around the implementation of the program at the discretion of the District.

ARTICLE 19. HELMETS TO HARDHATS

19.1 The parties recognize a desire to facilitate the entry into the Building and Construction Trade Union(s) of Veterans who are interested in careers in the building and construction industry. The parties agree to utilize the services of the Center for Military Recruitment, Assessment and Veteran's Employment (hereinafter "Center") and the Center's "Helmets to Hardhats" program to serve as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties

19.2 The Union(s) and Contractor/Employer(s) agree to coordinate with the Center to participate in an integrated database of Veterans interested in working on this Project and of apprenticeship and employment opportunities for this Project. To the extent permitted by law, the Union(s) will give credit to such Veterans for bona fide, provable past experience.
