

Meeting Date: August 13, 2019

Item Title: Approval of Special Education Local Plan Area Contracts

Each year, Alameda Unified School District's Special Education Department prepares "Master Contracts" that allocate funds for its ongoing annual services provided to AUSD students under SELPA (Special Education Local Plan Area) agreements.

In order to protect confidential student information, the contracts for non-public schools and non-public agencies related service providers listed below will be maintained in the Special Education Department for board members and public review.
