◀ [Previous](#) | [Next](#) ▶

This Equity Policy Statement expresses the Board of Education's commitment to equity, excellence, and the achievement for an inclusive learning environment for all students.

Equity Policy Statement:

We believe that equity is a set of actions that results in educational excellence not determined by differences of race, sex, or economic status.

Equity is not the same as equality, Whereas equality provides the same resources throughout the system on a per capita basis, equity demands the allocation of resources based on need and support for each student's success.

Therefore, in order to achieve equity in serving out students, AUSD will factor in student needs when making decisions regarding resource allocations.
