Overview

The policy revisions made maintains the basic structure of the 2009 AUSD Board Policy/Administrative Regulation while introducing revisions to content:

1. Board Policy 6154 provides BOE beliefs, foundational values, and broad policy positions.
2. Administrative Regulation 6154 required sites to develop and regularly review a school-site homework plan and outlines elements that must be articulated within that plan.
3. Exhibit (E 6154) established a template to be used as a reference document and, in the absence of a school-site's own development process, serve as the plan in place.

Implementation Plan (Prior to COVID)
