

INVOICE NO: UEL-1285

Date: 12/27/2023

Ruth Boyd
Project Manager
Alameda Unified School District
2060 Challenger Drive
Alameda, Ca 94501
Subject: Pre-Engineering Fee for Wood Middle School (Temporary)/Lum Elementary School.

Dear Ruth:

In accordance with Alameda Municipal Power's (AMP's) Rules and Regulations Article X, the applicant/developer will be charged for all the expenses related with pre-engineering, performing preliminary site investigation, plan review, designing utility duct systems, conducting system impact studies, project coordination, construction inspection and testing.

In this regard, please remit the non-refundable amount of **\$10,000.00** to Alameda Municipal Power to support this project in a timely manner and process the plan check in the next submittals. Please reference work order UEL-1285.

AMP will provide the final estimate for the labor and materials as soon as the final design concept is complete.

Feel free to contact me at (510)748-3945 or Leonard Montilla at (510) 748-3992 if you have any questions or clarifications.

Sincerely yours,

Tilahun A. Mehari, P. E.
