2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Each and every child is compassionate, confident, and feels successful, academically prepared, and able to make meaningful, positive impact in their lives, the lives of others, and the world around them. Alameda Unified School District is committed to upholding our community's core values of equity and excellence for every student by providing inclusive and safe conditions for learning that challenge and support every student to be culturally competent and prepared for college, career, and community participation

Bay Farm is committed to being the heart of our community bridging home and school. We provide a collaborative and inclusive environment where we value cultural and learning differences. Students enjoy the pursuit of personal and academic excellence as they become confident and compassionate citizens of our local and global communities. Between our knowledge-thirsty students, hardworking teachers, and involved PTSA, we have truly created a community that honors learning. Our Culture & Climate team supports the implementation of Positive Behavior Intervention and Support (PBIS) aligned with restorative practices to create a safe and positive school climate. Bay Farm has been designated Platinum status for our robust PBIS program. In addition, we utilize Toolbox to support students' social emotional learning. We have a thriving Coordination of Services Team (COST) and partnership with a community based mental health organization to support students' social and emotional well being. Bay Farm has a thriving outdoor learning garden program promoting health and sustainability. Through collaboration with Green Schoolyards of America, we have 3 outdoor classrooms.

We are in the constant process of updating our technology by adding more one-to-one devices and training our teachers in instructional technology. These upgrades enable teachers to apply the latest instructional strategies in their classroom. Additionally, we are developing and improving our culturally and linguistically responsive practices to provide a learning community where everyone feels valued and able to thrive. These practices will enable our students to meet and exceed the expectations of the Common Core Standards and 21st Century skills. Bay Farm was designated a California Distinguished School in 2023 and 2018 and has been identified as one of the Best Elementary Schools in America by Niche. Additionally, Bay Farm School was recognized as a National Green Ribbon School in 2016 for its continued excellence in providing recycling and outdoor education programs. In 2023, Bay Farm was included on the US Department of Education Green Strides Tour for its excellence in sustainability education and practices. Through its ongoing partnerships with organizations like Stopwaste.org, it continues to be on the forefront of creating sustainable systems and environmental education. When Bay Farm School opened its doors in the 1992–1993 school year, it adopted the motto "that it takes a whole village to raise a child." Today, 29 years later, that hasn't changed. This tight-knit community rallies around the needs of its children even in tough times. The success of our students is our number-one concern.

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- · School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

| Authorization/Assignment | 2020-21 | 2021-22 |
|---|---------|---------|
| Permits and Waivers | 1.00 | 0.00 |
| Misassignments | 1.00 | 2.00 |
| Vacant Positions | 0.00 | 0.00 |
| Total Teachers Without Credentials and Misassignments | 2.00 | 2.00 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.80 | 1.00 |
| Local Assignment Options | 0.20 | 0.00 |
| Total Out-of-Field Teachers | 1.00 | 1.00 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned) | 3.4 | 18.1 |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) | 3.7 | 1.5 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2021-22 | School 2022-23 | District 2021-22 | District 2022-23 | State 2021-22 | State 2022-23 |
|--|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts/Literacy (grades 3-8 and 11) | 72 | 75 | 65 | 63 | 47 | 46 |
| Mathematics (grades 3-8 and 11) | 70 | 71 | 53 | 54 | 33 | 34 |

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

AUSD Schools greatly benefit from supportive parents, guardians and community members who get involved in a variety of activities. We believe in partnering with our families to create the best school for our students. Families have many opportunities to partner with the school based on parents' schedules and interests. We also partner with our local Community Based Organization and especially our school's Parent Teacher Association (PTA).

We encourage participation in all aspects of the school's program. Here are activities that parents, guardians and community members can engage in throughout the year:

- Volunteering as a Room Parent
- Field Trip Chaperones
- Noon Supervisors

All parent input in decision-making is welcome through the following committees at a school site:

- School Site Council (SSC)
- English Language Advisory Committee (ELAC)

Parent input at a district level can happen at, but not limited too:

- Equity Round Tables
- Alameda Mosaic
- Alcance/Latino Achievement Round Table
- Asian and Pacific Islander Round Table
- LGBTQ Round Table
- District English Language Advisory Committee

2023-24 School Safety Plan

To safeguard the well-being of students and staff, a Comprehensive School Safety Plan has been developed and yearly approved by School Site Council and the Board of Education. Each year the school sets goals for the school to continually improve in three areas: School Climate (students, parents, and programs), Emergency Preparedness (disasters and crisis), and School Environment (facilities and campus). The plan addresses various safety issues, including creating procedures that detect and prevent social-emotional barriers/challenges, ensuring appropriate campus supervision, maintaining disaster kits, and monitoring emergency procedures. The plan is reviewed with all staff members at the beginning of each school year. Safety drills are held on a regular basis; fire drills are held monthly, earthquake drills are held two times a year, and intruder/lockdown drills are held at least once a year. Staff members also receive disaster training yearly.

To ensure safety of student; Teachers, staff and administrators supervise students on campus from bell to bell. All Our school is a closed campus, and permission is always required to leave school grounds. Any visitors to the campus are required to check in at the school's main office and must always wear the proper identification badge.

Fiscal Year 2022-23 Types of Services Funded

AUSD Schools are primarily funded by the Local Control Funding Formula (LCFF). These funds are applied toward the cost of salaries, benefits, energy, supplies, technology, training, and all other aspects of school operations. The Alameda Unified School District also receives federal, special education, and other state funding. Our school utilizes funding to provide:

- Response To Intervention (RTI) Universal Blocking
- 1:1 Devices (1st 12th)
- Targeted supports for servicing students
- Continuous Staff Development
- Social Emotional Supports for all students
- Coordination of Services (COST)
- Positive Behavior Intervention Systems
- Music and Library at the Elementary level
- Electives at the Secondary level

The school also receives additional support from local community partners including the Parent Teacher Association (PTA), Alameda Educational Foundation, and various organizations, businesses, and community groups.

Professional Development

Site Professional Development (PD) in the start of the 2021-2022 academic year focused on culturally responsive practices in the classroom and Universal Design for Learning. All K-5 grade teachers were trained in Toolbox which is a SEL program to help students manage behavior and emotions. A focus this year has been cultivating opportunities for academic discourse in the classroom and this is a foundation of every staff meeting and PD session. In addition, we deepened our work focused on diversity, inclusion and systemic racism. We continued to refine our Positive Behavior Intervention and Support (PBIS) practices and building more Social Emotional Learning support strategies into the classroom.
