Alameda, Ca 94501

Subject: AUSD Island High School Service Upgrade

Dear Ruth Boyd,

In accordance with Alameda Municipal Power's (AMP's) Rules and Regulations in Article X, the applicant/ developer/contractor will be charged for all the expenses associated with the engineering, construction inspection, construction and installation of primary distribution lateral line for the service upgrade and existing service removal at Island High School 500 Pacific Ave. Alameda, CA 94501

Below is AMP costs estimate;

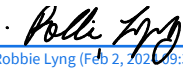

Materials -	\$9,063.75
Labor -	\$44,122.20
Sub-Total -	\$53,185.95
Contingencies (10%) -	\$5,318.59
Grand Total -	\$58,504.54

In this regard, please remit the amount of \$58,504.54 to Alameda Municipal Power in order to support this project in a timely manner.

Feel free to contact me at (510)748-3944 or Leonard Montilla at (510) 748-3992 if you have any questions or clarifications.

Sincerely yours,

Dillon Ballinger  
Distribution Engineer  
Alameda Municipal Power
