AB922 Triennial Plan Update
July 1, 2024 - June 30, 2027

California Education Code (EC) Section 48926 requires each county superintendent of schools, in conjunction with district superintendents in the county, to submit a triennial update to the State Superintendent of Public Instruction.

The AB922 Triennial Plan addresses the following components:

- Existing Educational Alternatives Provided by the Alameda County Office of Education
- Alameda County Community Schools Transition Process
- Educational Services Provided to Expelled Students with Exceptional Needs
- Gaps in Educational Services to Expelled Students
- Alternative Placement for Students who Fail Placement or Pose a Danger to Other District Students
- Existing Educational Alternatives for Expelled Students Offered by Districts

I have reviewed and approve the contents and the process that has occurred for updating the triennial plan.
