PROVISIONS

1. The following is added to SECTION II - WHO IS AN INSURED:

Any person or organization that you agree in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only:

- a.** With respect to liability for "bodily injury" or "property damage" that occurs subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect;
- b.** If, and only to the extent that, the injury or damage is caused by your acts or omissions in the performance of your ongoing operations to which that written contract or agreement applies or by the acts or omissions of any person or organization performing such ongoing operations on your behalf; and
- c.** Subject to the following limitations and conditions on the insurance provided to such additional insured:
 - (1)** If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in **SECTION III - LIMITS OF INSURANCE**.
 - (2)** The insurance provided to such additional insured is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if the written contract or agreement requires that the insurance provided under this Coverage Part apply on a primary basis or a primary and non-contributory basis, then this insurance is primary to other insurance available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that other insurance. But, the insurance provided to the additional insured still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under such other insurance.
 - (3)** The insurance provided to such additional insured does not apply to:
 - (a)** Any person or organization for which coverage as an additional insured specifically is scheduled by attachment of an endorsement under this Coverage Part, or for whom you have purchased an Owners And Contractors Protective Liability policy;
 - (b)** Any person or organization who distributes or sells "your products" in the regular course of that person's or organization's business with respect to liability arising out of "your products";
 - (c)** Any person or organization from whom you have acquired "your products", or any ingredient, part or container entering into, accompanying or containing such product with respect to liability arising out of "your products";
 - (d)** Any premises owner, manager or lessor with respect to liability arising out of the ownership, maintenance, or use of that part of any premises leased to you;

- (e) Any equipment lessor with respect to liability arising out of the maintenance, operation or use of equipment leased to you by such equipment lessor;
 - (f) The independent acts or omissions of such additional insured; or
 - (g) "Bodily injury" or "property damage" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:
 - (i) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (ii) Supervisory, inspection, architectural or engineering activities.
- (4) The additional insured must comply with the following duties:
- (a) Give us written notice as soon as practicable of an "occurrence" which may result in a claim. To the extent possible, such notice should include:
 - (i) How, when and where the "occurrence" took place;
 - (ii) The names and addresses of any injured persons and witnesses; and
 - (iii) The nature and location of any injury or damage arising out of the "occurrence".
 - (b) If a claim is made or "suit" is brought against the additional insured:
 - (i) Immediately record the specifics of the claim or "suit" and the date received; and
 - (ii) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.
 - (c) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
 - (d) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to the additional insured is primary to other insurance available to the additional insured which covers that person or organization as a named insured.
