Diversion Policy

A. Procedures from First Date of Pre-Enrollment for Upcoming School Year through the first day of school.

All students are enrolled into their home school. Parents/guardians of students seeking enrollment shall be notified in writing if the requested grade level or school is at or over capacity at the time of enrollment. Such notice shall clearly state that the student may be diverted to another school if sufficient space does not become available at the student's zoned school. Parent/guardian will be informed of the student's over enrollment number with the explanation that the numbers can change based on the diversion priorities. Families enrolled before July 15th will be notified a second time in early August if the school is still over enrolled and what their over enrollment number is. All students will start the school year at their home school.

Diversion Policy, cont...

B. Procedures from the first day of school through the school year.

Parents/guardians shall be notified in writing at the time of registration if a grade or school is at or over capacity. Such notice shall clearly state that the student may be diverted to another school if sufficient space does not become available at the student's zoned school. All such students shall be given an over enrollment number based on date of enrollment. Parents/guardians will be informed of the student's number and asked to which school(s) with capacity they would prefer as a diversion placement. The district shall take these rankings into account when determining the school placement for the student.

At this time, if the student's zoned school is at or over capacity, the student will be redirected to a school with space.

Diversion Policy, cont...

Students will be diverted in the following order:

1. Students attending the school on an interdistrict transfer. (living outside of Alameda)
2. Intradistrict transfer (living inside Alameda in a different school zone) students with a space at their home school who do not fall into categories (c)-(d) below and or have been at the school less than 1 year and 19 days.
3. Students residing in the school's attendance zone and or whose parent/guardian is assigned to that school as his/her primary place of employment. Within this group, students will be moved in reverse order of enrollment date.
4. Students residing in the school's attendance zone and or whose parent/guardian is assigned to that school as his/her primary place of employment that have a sibling who attended that school the year prior. Within this group, students will be moved in reverse order of enrollment date.

Diversion Policy, cont...

Students who are diverted to a school outside their home school attendance zone will be offered the opportunity to return to their home school if space becomes available. The order of return will be based on enrollment date.

A student who is diverted may not be involuntarily re-diverted into a third school. The District shall re-designate the diversion site as the diverted student's home school if either:

- The student's parent/guardian so requests, or
- The student's parent/guardian declines offers to return to the student his/her home school in multiple school years.

If the diversion site is re-designated as the diverted student's home school, the student's family shall have the right to designate the diversion site as the home school for the student's siblings.
