

## Notice of Availability and Notice of Intent to Adopt a Mitigated Negative Declaration

Dear Wood Middle School Neighbor:

The Alameda Unified School District is working with the Alameda Little League to install field lights on the Minor Field on the Wood MS campus. Please see the reverse for a project map. The lights will only be used on a limited number of occasions during the little league season. We have taken great steps to reduce the impact on the neighborhood and we welcome all comments as such.

**Public Hearing Date:** September 23, 2014
