

Future High School Facilities: Update

Dr. Robert Clark
Chief Business Officer
AUSD Board Meeting
18 November 2014

Background

The Board approved the presented timeline at the October 14th board meeting.

At tonight's board meeting, staff is presenting an update on the high school research to date.

Research

Staff will present a summary of literature research at the January 13th board meeting. The research will present information on the sizes and programs of both smaller and larger high school campuses.

Tonight, a chart of Alameda County high schools is being presented for information. The information is not complete, and it will be updated and presented in full to the Board at the January 13th board meeting.
