BY AND BETWEEN
ALAMEDA UNIFIED SCHOOL DISTRICT
AND
ACADEMY OF ALAMEDA CHARTER SCHOOL AND ACADEMY OF ALAMEDA
ELEMENTARY CHARTER SCHOOL**

THIS AGREEMENT ("Agreement") is made this 28th day of April 2015, by and between the Alameda Unified School District, a public school district organized and existing under the laws of the State of California ("District") and Academy of Alameda Charter School and Academy of Alameda Charter Elementary School, two California public charter schools ("Charter Schools"). The District and the Charter Schools are collectively referred to as "the parties."

RECITALS

WHEREAS, the Charter Schools are non-profit public benefit corporations operating a charter authorized by the District; and

WHEREAS, pursuant to the requirements of California Education Code section 47614 and its implementing regulations (also known as "Proposition 39"), the Charter Schools have made a written request for facilities for the 2015-2016 school year; and

WHEREAS, pursuant to the requirements of Proposition 39 and its implementing regulations, the District Board of Education has made a preliminary written offer to provide the Charter School with facilities for their in-district students, a true and correct copy of which is provided as Exhibit A and hereby incorporated by reference, and the Charter Schools have received the terms of that offer; and

WHEREAS, the parties desire to set forth the terms and conditions pursuant to which the Charter Schools will occupy classrooms and use facilities (the "Dedicated Space") at the District's Chipman Middle School Facility (the "Site"), located at 401 Pacific Avenue, Alameda, CA, sharing the Site with Alameda Adult School ("Adult School"), for the 2015-2016 school year. See Exhibit A for a breakdown of dedicated and shared spaces.

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth, the parties agree as follows:

Section 1. Use of Dedicated Space. The District agrees to allow the Charter Schools exclusive use of the Dedicated Space identified in Exhibit A for the sole purpose of operating the Charter School educational program in accordance with the Charter School's charter. The Charter Schools' right to exclusive use of the Dedicated Space shall be coterminous with the term of this Agreement and shall be for the 2015-2016 school year only. Upon the termination of this Agreement, the right to exclusive use and occupation of the Dedicated Space and the facilities and equipment thereon shall revert to the District subject to the parties' negotiation of a successor Agreement, if necessary, containing the terms of the District's provision of facilities to the Charter Schools in accordance with the provisions of Proposition 39. As titleholder to the

Dedicated Space and the facilities and equipment located thereon, the District reserves the right at the termination of this Agreement to recoup the full rights and benefits of such ownership, including, but not limited to, use of such Dedicated Space, facilities and equipment for District services. If the Charter Schools plan to use the facility during the summer months, the Charter Schools and District agree to convene a meeting prior to June 15th to discuss the space configuration and logistics of use during the summer period.

The Charter Schools shall otherwise have full use of the Dedicated and Shared Space. The Charter Schools shall comply with District policies and/or practices regarding the operations and maintenance of the facilities, furnishings, and equipment.

Although the Charter Schools shall have the exclusive use of the Dedicated Space, with the prior consent of Charter Schools the District may agree to make the Dedicated Space available to members of the community in accordance with the provisions of the Civic Center Act (Education Code section 38131 *et seq.*). If Charter Schools authorize access to the Dedicated Space pursuant to the Civic Center Act, Charter Schools assume the risk of loss or damage to property as a result of that access.

The District shall have the right to provide use of Shared Space to members of the community in accordance with the provisions of the Civic Center Act (Education Code section 38131 *et seq.*); however, Charter Schools shall have first right of use of Charter School Shared Premises if Charter Schools have timely scheduled use of the Charter School Shared Premises with the local District school principal by September 15 for the period of November through February, by January 15 for the period of March through June, and by May 15 for the period of July through October or prior to the District granting use access to a third party.

For purposes of compliance with the Civic Center Act with respect to the Dedicated Space only, the Charter Schools' Governance Council shall hold the same powers and obligations applicable to School District Boards of Trustees under Education Code sections 38130-38139 and shall also follow District Board Policy and Administrative Regulations in making use of the facilities accessible to members of the community.

Pursuant to the requirements of Proposition 39, the allocation of space as set forth in this Section is based upon the amended request for facilities made by the Charter Schools on January 23, 2015.

Future requests for additional facilities based on enrollment increases may be made in the manner specified in Section 11969.9 of the Proposition 39 regulations (Cal. Code Regs., tit. 5, § 11969.9).

The parties agree that the provision of facilities pursuant to this Agreement constitutes full and complete satisfaction of the District's obligation to provide facilities to Charter Schools under Proposition 39 for the 2015-2016 school year.

Section 2. Shared Space. The District hereby grants to the Charter Schools the right to joint use of the following "Shared Space" solely for the purposes set forth in each Charter School's charter and on the terms and conditions set forth herein:

The District shall provide the Charter Schools with appropriate keys to access shared space no fewer than seven days prior to the start of school in August 2015. The Charter Schools will notify the Assistant Superintendent or designee in writing by September 30, 2015 of any concerns regarding either access to keys or coordination of use for the shared space.

STUDENT DISCIPLINE: The Principal of the District School at the Site, the site user and Charter Schools' designees will collaborate to resolve any student disciplinary issues that involve students and/or property of both the Charter Schools and other District programs. The District shall otherwise have no responsibility as it relates to student discipline of Charter Schools students.

BELL SCHEDULE/ALARMS/ANNOUNCEMENTS: It is recognized that the Charter Schools will have a separate bell schedule from the District's programs and that the existing intercom and bell system cannot accommodate Charter Schools' bell schedule.

EMERGENCY: The principal/designee of the Charter Schools and the principal of the District School/Charter Schools shall immediately inform one another or their designees of any health and/or safety emergency as they relate to the safety of the schools on Site. District will provide Charter Schools with emergency procedures and/or equipment. The Charter Schools will be notified two operating days in advance of scheduled fire drills and emergency drills on the Site which may disrupt the Charter Schools and its operations. The Charter Schools will provide notification two operating days in advance to the District School of scheduled fire drills and emergency drills on the Site which may disrupt the District School and its operations. Fire and other security and emergency alarm testing will be limited to after-school hours or nonteaching/training days. The principal/designee of the Charter Schools and the principal of the District School shall meet in September to identify appropriate dates and times through the year for these tests. Charter Schools shall notify district/MOF of all scheduled drills.

MEMORANDUM OF UNDERSTANDING: The parties agree that that the Charter School, District, and the leadership of Adult School will discuss a further Memorandum of Understanding that would govern additional building usage issues.

Section 3. Facility & Amenities — Occupancy & Use.

FURNISHINGS AND EQUIPMENT: The District shall provide, in accordance with the Proposition 39 regulations, furnishings and equipment at the Site. These furnishings and equipment shall remain the property of the District. The furnishings and equipment provided shall be equivalent to those furnishings and equipment provided in the comparison group of schools in accordance with 5 C.C.R. Section 11969.2. The District and the Charter Schools shall develop a mutually agreeable inventory of the furnishings and equipment that will be located at the Site. Charter Schools are responsible for any damage to furnishings and equipment in excess of normal wear and tear.

BATHROOMS: The Charter Schools' students and staff shall have access to bathrooms in the shared space as determined by the Shared Site Committee.

SECURITY: The Dedicated Space shall be wired to the Site's alarm system. The Charter Schools shall be responsible for costs incurred due to false alarms and security breaches that are related to the Dedicated Space. The Charter Schools shall operate a closed campus and cooperate with the District on security issues. The Charter Schools may have a unique security code. If there is a fire at the property, the Charter Schools shall immediately notify the District but no later than within one business day. Charter Schools shall exercise reasonable care to ensure that facility keys are not misplaced or stolen. Charter Schools shall notify the District within 5 hours of discovering that a key is no longer in Charter Schools' custody and control and shall assume the full cost of re-keying all portions of the facility which can be accessed using the lost or stolen key, including those portions of the facility which are Shared Space and space reserved exclusively for District use.

EMERGENCY: In an emergency, including if the Space is destroyed or damaged in any material way, the District reserves the right to temporarily interrupt the Charter Schools' use of the Space or any Site facilities or systems.

CUSTODIAL: If Charter Schools choose to provide their own custodial services to clean their dedicated space, District designee shall retain the right to periodically inspect Site. District designee will inform Charter Schools' designee of deficiencies and provide a reasonable opportunity for Charter Schools to correct the deficiency. Charter Schools' repeated and persistent failure to correct deficiencies in a timely manner will require that Charter Schools use District custodial services and pay their proportional cost.

MAINTENANCE AND OPERATIONS: Routine Restricted Maintenance ("RRM") are broadly and generally defined as maintaining, repairing, and operating buildings (including the classrooms therein) and grounds efficiently on a regular basis, in a manner that promotes learning in a safe, clean, and healthy environment. The District shall provide RRM services to the Charter Schools pursuant to the District's M&O standards and policies and shall provide these services at a service level similar to that provided to the District public schools. Costs of RRM services shall be shared equitably among the District and the Charter Schools, with the Charter Schools' share to be designated as the "M&O Share".

If the Charter Schools request any additional facilities-related services that are above and beyond the service level provided to the District public schools and which are not included in the M&O Share but have been agreed to be provided by the District, costs of said services will be charged to the Charter Schools on a fee-for-service basis. Fee-for-service charges shall be based upon rates that will be updated by the District and circulated to the Charter Schools prior to July 31 and which shall be in effect through at least July 31 of the next year.

If and when the Charter Schools need additional RRM services and these have been agreed to be provided by the District, Charter Schools may request said services from the District's Maintenance and Operations Division through District's work order system along with an estimate for the requested services which will be delivered to Charter Schools within a reasonable amount of time.

To the extent a service is being delivered on a long-standing or continuous basis, it is understood and agreed by the Parties that such request for services must be renewed at the outset of each school year to be a validly enforceable obligation.

DEFERRED MAINTENANCE PLAN AND SERVICES: "Deferred Maintenance" shall include work necessary to restore or replace deteriorated or damaged building systems such as plumbing, heating, air conditioning, electrical, roofing, flooring, and wall systems. The exterior painting of school buildings; asphalt paving; the inspection, sampling and analysis of building materials to determine the presence of asbestos-containing materials; the encapsulation or removal of asbestos-containing materials; the inspection, identification, sampling, and analysis of building materials to determine the presence of lead-containing materials; the control, management, and removal of lead-containing materials; or other such items may be approved by the Board, to such condition that the school buildings may be effectively utilized for their

designated purposes. The District shall be responsible for Deferred Maintenance of the Site. Projects included in the District deferred maintenance plan established pursuant to Education Code section 17582 and the replacement of furnishings and equipment supplied by the District in accordance with District schedules and practices shall remain the responsibility of the District. PEST MANAGEMENT: Notwithstanding anything provided in this Agreement, the District shall provide the pest management for the Site in accordance with the District pest management policy upon written notice to Charter Schools of its intention to do so, the schedule upon which the pest management service will be provided and the estimated cost of such pest management service. Charter Schools shall pay the reasonable and customary fee or charge for said pest management service.

SCHOOL SAFETY OFFICER: If School Safety Officer services are to be provided, the District will be given the first opportunity to provide service. If the District deems it is unable to provide service, the Charter Schools may retain services from an external provider as defined by an MOU. The Charter Schools will be responsible for all associated costs of this service.

Section 4. Reimbursement. In the event that the space allocated to the Charter Schools is considered "over-allocated" in accordance with 5 C.C.R. Section 11969.8, the Charter Schools shall follow the notification procedures outlined in 5 C.C.R. Section 11969.8, and District shall be entitled to all remedies permitted under that section.

Section 5. Modernization. In the event that the District designates matching facilities funds for the facility and begins modernizing the facility, the District and the Charter Schools will meet to discuss the issue of modernization for the Site.

Section 6. Term. The term of this Agreement shall begin on its date of execution and shall end on June 30, 2016. Notwithstanding the term of this Agreement, the Charter Schools' right to renew this Agreement shall be subject to compliance with the annual notification requirements of Education Code section 47614 and 5 C.C.R. sections 11969 et seq. and compliance with the terms of this Agreement. Upon timely notification of the Charter Schools' facilities needs in accordance with 5 C.C.R. sections 11969 et seq., the parties shall amend the terms of this Agreement, if necessary, and the parties shall execute a new Agreement. The District reserves the right to provide alternative facilities at the end of the term of this Agreement that meet the requirements of Proposition 39, and the District makes no guarantee that the Dedicated Space will be available for any additional term beyond the current term.

Section 7. Termination. The Agreement shall terminate if the charter of either Charter School is either revoked or not renewed by the district, and the Charter School(s) in question have fully exhausted any administrative or judicial appeals of the renewal or revocation.

Section 8. Fees and Payment.

A. Oversight Fee: Charter Schools shall pay the District an oversight fee in accordance with Education Code section 47613, which shall not exceed three percent (3%) of the amount received by the Charter Schools in the current fiscal year from the local control funding formula calculated pursuant to Education Code section 42238.02, as implemented by section 42238.03. Oversight fees shall be altered by the parties in accordance with any change in applicable law

during the term of this Agreement. The District will invoice the Charter Schools, and the Charter Schools will make installment payments on this invoiced amount payable to "Alameda Unified School District" to be delivered to the District Office (attn: Chief Business Officer) according to the following schedule:

- 25% by October 1, 2015
- 25% by December 1, 2015
- 25% by April 1, 2016
- 25% by July 1, 2016

B. The Fee does not include the Special Education encroachment fee which is calculated annually. In the event the Charter Schools use a third party Special Education service provider outside of the District, the District will not assess a Special Education encroachment fee.

C. The Fee does not include Site-specific costs which the school must include in its own budget. The Fee does not include, among other items, the cost of computers, computer lab, laptop carts, server equipment, internet service, phone service, audio-visual equipment, custodial service, or campus security.

D. The Fee does not include Site-specific costs which are not school-specific, which the Charter Schools will negotiate with the Shared Site Committee and formally record in an annual Inter-Connected School Agreement by the end of September.

E. Either the Charter Schools or the District may call, at any time, for a meeting to discuss adjustments or reconciliation of these figures whenever there is reason to believe that these estimates do not reflect actual amounts owing.

F. If the Charter Schools dispute any fee or charge, they shall send written notification to the District.

The Charter Schools have the right to submit the issue for resolution in accordance with the dispute resolution procedures outlined herein. Pending resolution of any dispute resolution procedures relating to the fee or charge, the Charter School shall only be required to continue paying any undisputed amount. Upon resolution of the dispute relating to the fee or charge, and based upon the ultimate resolution thereof, the Parties shall reconcile the amounts owed. The Charter Schools' withholding of disputed funds is not grounds for revocation.

Section 9. Utilities. The Charter Schools shall be solely responsible for the cost of all utilities used or consumed by the Charter Schools on the Site. With respect to internet connectivity, the Charter Schools shall assume use of the pre-existing T-1 line and shall transfer billing for the use of such line over to the Charter Schools. The Charter Schools shall obtain its own internet service provider and shall assume sole responsibility for upkeep and maintenance of all telephone systems, data lines, and related equipment, software and hardware. The Charter Schools will be billed according to the utilities billing cycle for its pro rata share of the total Site utilities costs where billing is unable to be separately billed.

Section 10. [Intentionally left blank.]

Section 11. Installation of Improvements. During the Term of this Agreement, the Charter Schools have no right to make alterations, additions, or improvements to the Site, which shall include modular classrooms, ("Improvements"), without the prior written consent of the District, and if required, the Division of the State Architect. The Charter Schools may submit a request to make Improvements to the Site, and the District agrees to act upon a timely and complete request by the Charter Schools within ninety (90) days. If the District fails to provide a response to the Charter Schools within ninety (90) days regarding any such timely and complete request, the request shall be deemed approved. The District's approval of any Improvements, including the construction schedule, work hours, and modifications, shall be at District's sole and absolute discretion, and District may disapprove of such improvements without reason. Contractors retained by the Charter Schools with respect to the construction or installation of Improvements must be paid prevailing wages; shall be fully licensed and bonded as required by law; and must maintain levels of casualty, liability and workers' compensation insurance and performance and payment bonds consistent with District construction requirements. The construction or installation of Improvements shall be performed in a sound and workmanlike manner, in compliance with all laws applicable to charter schools, including building codes and prevailing wage laws. The District or the District's agent shall have a continuing right at all times during the period that Improvements are being constructed or installed to enter the premises and to inspect the work, provided that such entries and inspections do not unreasonably interfere with the progress of the construction or interrupt instruction to students.

Section 11(A). Signage. The Charter Schools may install signage at the Site, including the following: one sign at the Charter Schools' main entrance stating the charter school name and other pertinent information, a sign indicating the main office of the Charter Schools, and other directional signs as appropriate. The signage shall not require any Improvement to the Site in order to erect such signage. Such signage shall be in compliance with any District standards previously made available to Charter Schools and Charter Schools' receipt of any applicable permits and approvals required under any municipal or other governmental laws, ordinances, rules or regulations; provided, that in the event of any conflict between the District's standards and any applicable municipal or governmental permit and/or approval, the terms and conditions of the municipal or governmental permit and/or approval shall prevail. The Charter Schools may place additional signs on the property only with prior District approval.

Section 12. Condition of Property. The Charter Schools, at their expense, shall comply with all applicable laws, regulations, rules and orders with respect to its use and occupancy of the Dedicated Space, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality. The Charter Schools shall not be responsible for any and all environmental conditions that existed prior to the Charter Schools' occupancy of the Dedicated Space. The District shall remain responsible for compliance with the ADA, FEHA, and other applicable building code standards regarding access for any existing compliance issue prior to the date of execution of this Agreement. The Charter Schools shall only assume responsibility for compliance with ADA and FEHA access rights to the extent of any modifications or improvement made by the Charter Schools. Should any discharge, leakage, spillage, emission, or pollution of any type occur upon or from the Dedicated

Space due to the Charter Schools' use and occupancy thereof, the Charter Schools, at its expense, shall be obligated to clean all the property affected, to the satisfaction of the District and any governmental agencies having jurisdiction over the Dedicated Space.

Section 13. Title to Property. The parties acknowledge that title to the Dedicated Space is held by the District and shall remain in the District at all times.

Section 14. Fingerprinting. The Charter Schools shall be responsible for ensuring compliance with all applicable fingerprinting and criminal background investigation requirements described in Education Code section 45125.1. Verification of compliance with the aforementioned fingerprinting and criminal background investigation requirements shall be provided in writing to the District prior to each individual's commencement of employment or participation in any activity of the Charter Schools on the Dedicated Space and prior to permitting contact with District pupils.

Section 15. Insurance.

A. Charter Schools' Insurance. Charter Schools, at Charter Schools' sole cost and expense, shall both obtain and keep in full force and effect, beginning on the Commencement Date and continuing until this Agreement terminates, the following insurance policies for the Site, or, in lieu of maintaining coverage through an insurance company, use a self-insurance mechanism that meets the following criteria:

(1) Liability Insurance. Commercial general liability insurance with respect to the Site and Dedicated Space, if any, and the operations of or on behalf of the Charter Schools in, on or about the Site, including but not limited to: bodily injury, product liability (if applicable), blanket contractual, broad form property damage liability coverage and host liquor liability in an amount not less than Five Million Dollars (\$5,000,000) in the aggregate, and excess liability coverage on a basis consistent with coverage for schools or a type similar to the School as required by the District as a school district. Coverage shall be maintained with no Self-Insurance Retention above \$15,000 without the prior written approval of the District. The policy shall be endorsed to name the Alameda Unified School District and the Board of Education of the City of Alameda as named additional insured and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and the charter school's insurance primary; provided, however, that District's insurance shall be primary for claims caused by the actions of third parties, except to the extent that the third party's actions arose as a result of the negligence, intentional disregard or malfeasance of the Charter Schools.

(2) Property Insurance. Property insurance against fire, vandalism, malicious mischief and such other additional perils as now are or hereafter may be included in a standard "All Risks" coverage, including sprinkler leakage, insuring all of the Charter Schools' trade fixtures, furnishings, equipment, stock, loss of income or extra expense, and other items of personal property ("Charter's Property") in an amount not less than one hundred percent (100%) of replacement value. Such insurance shall contain: (i) coinsurance or contribution clauses, (ii) a replacement cost endorsement, and (iii) a waiver of subrogation in favor of the District. With regard to such property insurance, the District agrees that the Charter Schools shall have the right to participate in insurance policies obtained by the District where such policies are less expensive or otherwise more advantageous to the Charter Schools than coverage otherwise available in the marketplace. Any such participation shall be in a separate written agreement. The Parties further

acknowledge and agree that the Charter Schools have no obligation hereunder to purchase earthquake coverage.

(3) Workers' Compensation, Employer Liability. Workers' compensation insurance in accordance with provisions of the California Labor Code adequate to protect the charter school from claims that may arise from its operations pursuant to the Workers' Compensation Act, and employer's liability insurance in an amount not less than One Million Dollars (\$1,000,000).

(4) Fidelity Bond. Fidelity bond coverage for all of Charter Schools' employees who handle, process, or otherwise have responsibility for Charter Schools' funds, supplies, equipment or other assets. Minimum amount of coverage shall be \$50,000 per occurrence, with no self-insurance retention.

B. Insurance Policy Criteria. All policies of insurance required to be carried by Charter Schools shall be written by responsible insurance companies authorized to do business in the State of California, rated no less than the standard the District requires for non-charter public schools [A.M. Best A-, VII or better]. Any such insurance required of the Charter Schools hereunder may be furnished by the Charter Schools under any blanket policy carried by it or under a separate policy therefore. A true and exact copy of each paid-up policy evidencing such insurance or a certificate of the insurer, certifying that such policy has been issued, providing the coverage required and containing the provisions specified herein, shall be delivered to the District prior to the date the Charter Schools are given the right to possession of the Site, and upon renewals, not less than thirty (30) days prior to the expiration of such coverage. In addition, the District and the Board of Education of the Alameda Unified School District shall be named as an additional insured on the liability policies and a loss payee on the property coverage for the Site. The District may, at any time and from time to time, upon reasonable notice to the Charter Schools and at no cost to the Charter Schools, inspect and/or copy any and all insurance policies required hereunder, and in no event shall the then-limits of any policy be considered as limiting the liability of the Charter Schools under this Agreement.

C. Failure to Obtain Insurance. If either Charter School fails to procure, maintain and/or pay for at the times and for the durations specified in this Agreement, the insurance required hereunder, or fails to carry insurance required by any applicable law, the District may (but without obligation to do so), and with concurrent notice to the Charter School(s), perform such obligations on behalf of the Charter School(s) and the cost thereof, together with interest thereon at the Interest Rate from the date of demand until paid, shall become due and payable as additional payment by Charter School(s) to the District.

D. Reimbursement. Charter Schools shall reimburse the District for cost of the premiums paid by the District for the insurance carried by the District pursuant to the terms of section C herein. Such amounts will be payable by check and may not be deducted by the District from the revenue account of the applicable Charter School.

E. District Insurance. During the Term of this Agreement, the District shall maintain insurance or shall self-insure against claims for injuries to persons or damages to property (real and personal, including the structures on the Site and any District-owned personal property) in amounts equal to that which would be in place if the Site were occupied by another school of the District. For services provided by the District to the Charter Schools, the District shall maintain

responsibility for these services and such services shall be covered by the District's self-insurance or any insurance that the District may maintain.

Section 16. Indemnification. The Charter Schools shall indemnify, hold harmless, and defend the District, its trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liability, expenses and costs for any injury, death or damage to any person or property occurring in, on or about the Dedicated Space after District delivers possession of the Dedicated Space to the Charter Schools, arising from the Charter Schools' use of the Dedicated Space or from the conduct of its business or from any activity, work, or other things done, permitted or suffered by the Charter Schools in or about the Dedicated Space; provided, however, that the Charter Schools shall not have any obligation to indemnify, hold harmless or defend the District, its trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liability, expenses and costs for any injury, death or damage to any person or property occurring in, on or about the Dedicated Space after the District delivers possession of the Dedicated Space to the Charter Schools, resulting from or arising out of the sole negligence or willful malfeasance of the District, its trustees, officers, employees and agents or any person or entity not subject to the Charter Schools' control and supervision.

The District shall indemnify, hold harmless, and defend the Charter Schools, its trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liability, expenses and costs for any injury, death or damage to any person or property occurring in, on or about the Dedicated Space after District delivers possession of the Dedicated Space to the Charter Schools, arising from the District's use of the Dedicated Space or from the conduct of its business or from any activity, work, or other things done, permitted or suffered by the District in or about the Dedicated Space; provided, however, that the District shall not have any obligation to indemnify, hold harmless or defend the Charter Schools, their trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liability, expenses and costs for any injury, death or damage to any person or property occurring in, on or about the Dedicated Space after the District delivers possession of the Dedicated Space to the Charter Schools, resulting from or arising out of the sole negligence or willful malfeasance of the Charter Schools, their trustees, officers, employees and agents or any person or entity not subject to the Charter Schools' control and supervision.

Section 17. Access. The District and its authorized representatives shall have the right, after twenty-four (24) hours prior written notice to the Charter Schools, to enter the Site during normal business hours for the purpose of inspection and audit ("Inspection") or to perform maintenance in or on the Site. Nothing in this section shall prevent the District from entering the Site to address an emergency upon the Site, nor shall this provision restrict the District's authority to enter the Site without advanced notice to perform its general oversight responsibilities under the terms of Charter Schools' charter and applicable law. An "emergency" shall be defined to include circumstances that risk the health and safety of students, personnel or other persons on the Site; or circumstances that risk further imminent damage or destruction to the Site; or circumstances that otherwise jeopardize the operation of the Site, including, but not limited to, the safety and sanitary condition of the Site.

Section 18. Surrender of Dedicated Space. Upon the Termination Date or other termination of

this Agreement, the Charter Schools shall peaceably quit and surrender to the District the Dedicated Space together with the Charter Schools' improvements and all alterations approved by the District in good order and condition, except for normal wear and tear after the Charter Schools have made the last necessary repair required on their part under this Agreement, and further except for any portion of the Dedicated Space condemned and any damage and destruction for which the Charter Schools are not responsible hereunder.

Section 19. Holding Over. Charter Schools shall surrender possession of the Site immediately upon the expiration of the Term or earlier termination of this Agreement. Absent a written agreement to the contrary, Charter Schools will not be permitted to hold over possession of the Site after such expiration or earlier termination of the Term without the express written consent of the District, which consent the District may withhold in its sole and absolute discretion. Any holdover by either Charter School shall constitute a breach of this Agreement by Charter School entitling the District to pursue any and all remedies available at law and in equity, including without limitation consequential damages resulting therefrom. During any hold over period, Charter Schools shall: (i) not occupy and use the premises during the hold over period except to remove its personal property and Alterations as it has coordinated with District; and (ii) authorize District to deduct \$100 per day (or any portion thereof) from charter school's monthly revenue account commencing on the sixth day of the hold over and said per day rate shall increase by 100% for each 15 day period thereafter; provided, however, that these hold over provisions shall not apply to those situations where Charter Schools previously made a timely and legally sufficient request under Proposition 39 for the school year to commence after the last day of the Term of this Agreement, the District made a facilities offer and Charter Schools accepted, and there is a delay in the delivery of the facilities.

Section 20. Liens. Charter Schools shall not suffer or permit any liens to stand against the Site, or any part thereof, by reason of any work, labor, services or materials done, supplied, or claimed to have been done or supplied. If as a result of work performed by or under the direction of the Charter School any such lien shall at any time be filed against the Site, the Charter Schools shall provide written notice thereof to the District as soon as notice of such lien or action comes to the knowledge of the Charter Schools. The Charter Schools shall cause the lien or action to be discharged of record within thirty (30) days after the date of the filing of same, either by payment, deposit or bond, unless a bond therefore is already in effect. Nothing in this Agreement shall be construed as consent or agreement by the District to subject its estate in the Site or any estate that may be construed in favor of the Charter Schools under this agreement to liability under any mechanics' lien law or to any contractor or laborer for work performed.

Section 21. Release of Liens. If any such liens are not so discharged within thirty (30) days after the date of the filing of the same, the District, without waiving its rights and remedies based on such breach by the Charter Schools whose dealings gave rise to the lien and without releasing the Charter Schools from any of its obligations, cause such liens to be released by any reasonable means, including payment in satisfaction of the claim giving rise to such lien.

Section 22. Damage and Destruction.

A. Notice to the District. Charter Schools shall provide written notice to the District immediately of any casualty that wholly or partially damages or destroys the Charter Schools

Premises or Charter Schools Shared Premises.

B. If there is damage or destruction, in whole or in part, to the Charter Schools Premises or Charter Schools Shared Premises:

(1) Unsafe Access or Use. If Charter Schools and the District determine that all or substantially all of the Charter Schools Premises and/or Charter Schools Shared Premises are inaccessible or unusable by Charter Schools in a safe manner, then the parties may mutually agree to terminate this Use Agreement.

(2) Safe Access or Use. If Charter Schools and the District determine that Charter Schools can safely continue their educational program from the Charter Schools Premises, Charter Schools may elect to continue the Use Agreement in effect.

(3) Upon mutual agreement between the parties, Charter Schools may elect to pay the District for the full estimated cost and expense to repair such damage or destruction, or pay in accordance with a structured payment schedule agreed to by the District. If Charter Schools exercise such option, this Use Agreement shall continue in full force and effect, but the expenses and fees shall be proportionately reduced as provided in Section 14.2(b).

(4) If this Use Agreement is terminated pursuant to this section, the District shall make best efforts to house Charter Schools' entire programs that were conducted at the Site in a single facility for the remainder of the Charter Schools' planned school year. If the District cannot provide Charter Schools with a single facility, the District shall make best efforts to provide Charter Schools with classrooms sufficient to house the Charter Schools' entire program across multiple facilities or by temporary use of DSA compliant modular classrooms, as permitted by law, either on the Site or at other District real property that the District deems appropriate; provided, that pursuant to Section 47614(b)(1) of the Education Code nothing herein shall obligate the District to expend unrestricted general fund revenues.

Section 23. Eminent Domain.

A. Termination of Use Agreement. This Use Agreement shall terminate if all of the Charter Schools Premises or Charter Schools Shared Premises are permanently taken under the power of eminent domain. If only a part of the Charter Schools Premises or Charter Schools Shared Premises is permanently taken under the power of eminent domain, the District or Charter Schools may elect to terminate this Use Agreement by providing sixty (60) days' written notice to the other party. In the event of a permanent partial taking which does not result in termination of this Use Agreement, the Pro Rata Share Charge shall be proportionately reduced based on the portion of the Charter Schools Premises or Charter Schools Shared Premises rendered unusable, and the District shall restore the Charter Schools Premises or Charter Schools Shared Premises by constructing a demising wall deemed necessary by the District to separate the Charter Schools Premises or Charter Schools Shared Premises from the portion permanently taken. In the event the District terminates this Use Agreement pursuant to this Section, the District shall make best efforts to house Charter Schools' program in a contiguous facility for the remainder of the Charter Schools' planned school year. If the District cannot house the Charter Schools' entire program in a single contiguous facility, the District shall make best efforts to provide Charter

Schools with classrooms sufficient to house the Charter Schools' entire program across multiple facilities or by use of temporary modular classrooms.

B. Allocation of Condemnation Award. In the event of a permanent condemnation or taking of all or part of the Site, the District shall be entitled to any and all awards which may be made in such taking or condemnation relating to all interests, including the fee title, to the Site. Nothing contained in this Article 15 shall be deemed to give the District any interest in or to require Charter Schools to assign to the District any separate award as designated by the condemning authority made to Charter Schools for (i) the taking of Charter Schools' personal property, (ii) interruption of or damage to Charter Schools' business, or (iii) amounts attributable to Charter Schools' relocation expenses.

C. Temporary Taking. No temporary taking of the Charter Schools Premises or Charter Schools Shared Premises or any part of the Charter Schools Premises or Charter Schools Shared Premises and/or of Charter Schools' rights to the Charter Schools Premises or Charter Schools Shared Premises or under this Use Agreement shall terminate this Use Agreement or give Charter Schools any right to any abatement of any payments owed to the District pursuant to this Use Agreement, provided that such temporary taking does not continue for more than five (5) consecutive days or a total of five (5) non-consecutive days in any thirty (30) day period. Any award made by reason of such temporary taking shall belong entirely to the District, except as to compensation for (i) the temporary taking of Charter Schools' personal property, (ii) interruption of or damage to Charter Schools' business, or (iii) amounts attributable to Charter Schools' temporary relocation expenses.

Section 24. Charter Schools' Default; the District's Remedies.

A. Charter Schools' Default. The occurrence of any one of the following events shall be considered a default of this Agreement:

(1) The failure of either Charter School to pay any charges or fees due and payable hereunder pursuant to the provisions of sections 4.4 or 5.2, as applicable, or otherwise provided herein after ten (10) days' written notice to the Charter School; provided, however, that any such notice shall be in lieu of, and not in addition to, any notice required under Code of Civil Procedure section 1161, and such ten (10) day cure period shall run concurrently with any cure period required under California law, including Code of Civil Procedure section 1161;

(2) The failure of either Charter School to observe or perform any of its covenants or obligations hereunder, which failure continues past the notice and cure period provided herein. The District shall provide the Charter School(s) with written notice of default and Charter School(s) shall have ten (10) business days to provide a response to the District, either evidencing compliance with the terms of this Agreement or a plan to cure the default and a reasonable timeline acceptable by the District within which Charter School(s) will diligently prosecute the same to completion. In no event shall such default continue for more than ninety (90) days after written notice thereof by the District to Charter School(s) without prior written agreement by the District. Any such notice shall be in lieu of, and not in addition to, any notice required under Code of Civil Procedure section 1161; and such cure period shall run concurrently with any cure period required under California law, including Code of Civil Procedure section 1161;

(3) Either Charter School's abandonment of the Charter Schools Premises for a period of thirty (30) consecutive days, it being agreed that the fact that any of Charter School's property remains in the Charter School's Premises shall not be evidence that Charter School has not vacated or abandoned the Charter School's Premises; provided, however, any normal school holidays

including summer and inter-term breaks shall not constitute abandonment of the Charter School's Premises;

(4) The making by either Charter School of any general assignment or general arrangement for the benefit of creditors; the filing by or against Charter School of a petition to have Charter School adjudged bankrupt or a petition for reorganization or arrangement under any law relation to bankruptcy (unless the same is dismissed within sixty (60) days); the appointment of a trustee or receiver to take possession of substantially all of the Charter School's assets located at the Charter Schools Premises, or of Charter School's interest in this Agreement, where possession is not restored to Charter School within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of Charter School's assets located at the Charter School's Premises or of Charter School's interest in this Agreement, where such seizure is not discharged within thirty (30) days.

(5) Any failure by either Charter School to execute and deliver any statement or document described in Article 20 below within a reasonable period of time after the District's written request for such statement or document. Any such notice shall be in lieu of and not in addition to any notice required under Code of Civil Procedure section 1161, and such thirty (30) day cure period shall run concurrently with any cure period required under California law, including Code of Civil Procedure section 1161;

(6) The continued assignment, subletting or other transfer of this Agreement in violation of Article 29 after ten (10) days' written notice to the Charter School.

(7) The cessation of either Charter School's program after a revocation, nonrenewal or surrender of the charter to the granting agency. However, the Charter Schools shall not be in default of this Use Agreement until after the Charter School(s) in question has exhausted all appeals subsequent to the revocation or nonrenewal of its charter.

B. The District's Remedies.

(1) In the event of any default by a Charter School or Charter Schools and if the defaulting Charter School(s) fail to cure such default within the time period specified in this Agreement after receipt of written notice from the District of such default, the District shall have the right, in addition to all other rights available to the District under this Agreement or now or later permitted by law or equity, to terminate this Agreement with respect to the defaulting Charter School(s) by providing the Charter School(s) with a ninety (90) day prior written notice of termination. Upon termination, the District may recover any damages proximately caused by the defaulting Charter School's failure to perform under this Agreement, or which are likely in the ordinary course of business to be incurred, including any amount expended or to be expended by the District in an effort to mitigate damages, as well as any other damages which the District is entitled to recover under any statute now or later in effect.

(2) In accordance with Civil Code section 1951.4 (or any successor statute), Charter Schools acknowledge that in the event either Charter School has breached this Agreement and abandoned the Site, this Agreement shall continue in effect for so long as the District does not terminate the applicable Charter School(s) right to possession, and the District may enforce all its rights and remedies under this Agreement, including the right to recover the fees and charges provided for in this Agreement and the reasonable costs incurred to preserve the property. Acts of maintenance or preservation of the Charter Schools Premises or Charter Schools Shared Premise or the appointment of a receiver upon initiative of the District to protect the District's interest under this Agreement shall not constitute a termination of Charter Schools' right to possession. In addition to its other rights under this Agreement, the District has the remedy described in Civil Code section 1951.4.

(3) In the event of any default, and if the defaulting Charter School(s) fail to cure such default within the time period specified in this Agreement after receipt of written notice from the District of such default, the District shall also have the right, with or without terminating this Agreement, to enter the Charter Schools Premises of the defaulting Charter School or Charter Schools Shared Premises and remove all persons and personal property from the Site, such property being removed and stored in a public warehouse or elsewhere at Charter Schools' sole cost and expense. No removal by the District of any persons or property in the Site shall constitute an election to terminate this Agreement. Such an election to terminate may only be made by the District in writing, or decreed by a court of competent jurisdiction. The District's right of entry shall include the right to remodel the defaulting Charter Schools Premises or Charter Schools Shared Premises and re-let the Charter Schools Premises or Charter Schools Shared Premises. Any payments made by Charter Schools or third party to whom the facilities are re-let shall be credited to the amounts owed by Charter Schools under this Agreement. No entry by the District shall prevent the District from later terminating this Agreement by written notice.

(4) If a Charter School fails to perform any covenant or condition to be performed by that Charter School within a time period specified in this Agreement and after Charter School(s) received written notice of such failure from the District, the District may perform such covenant or condition at its option, after notice to Charter School(s). In the event of an Emergency, the District has the right to perform such activity to mitigate the impact of the Emergency. All reasonable costs incurred by the District in so performing shall be reimbursed to the District by the defaulting Charter School(s) in accordance with section 5.2 hereof. Any performance by the District of the obligations of the defaulting Charter School(s) shall not waive or cure such default. All out-of-pocket, reasonable costs and expenses actually incurred by the District in collecting payments due or enforcing the obligations of Charter School(s) under this Use Agreement shall be paid by the defaulting Charter School(s) to the District.

(5) The rights and remedies of the District set forth herein are not exclusive, and the District may exercise any other right or remedy now or later available to it under this Agreement, at law or in equity.

Section 25. The District's Default; Charter Schools' Remedies.

A. The District's Default. The District shall be considered in default of this Agreement for failure by the District to observe or perform any of its covenants or obligations hereunder which continue beyond the notice and cure period provided herein (except in the event of an emergency, in which case the District shall perform its obligations immediately). Charter Schools shall provide the District with written notice of default and the District shall have ten (10) business days to provide a response to Charter Schools either evidencing compliance with the terms of this Agreement or a plan to cure the default and a reasonable timeline acceptable to Charter Schools within which the District will diligently prosecute the same to completion. In no event shall such default continue for more than ninety (90) days after written notice thereof by Charter Schools without prior written agreement by Charter School.

B. Charter Schools' Remedies. If the District fails to perform any covenant or condition to be performed by the District within the time period specified in section 17.1 after the District received written notice of such failure from Charter Schools, Charter Schools shall have the right to withhold payment as its remedy for the District non-performance, as specified in Article 4 or Article 5 of this Agreement. In the event of an Emergency, Charter Schools have the right to

perform such activity to mitigate the impact of the Emergency. All out-of-pocket, reasonable costs and expenses actually incurred by Charter Schools as a result of the District's failure to perform under this Use Agreement, in collecting payments due or enforcing the obligations the District under this Use Agreement shall be paid by the District to Charter Schools within thirty (30) days of written demand therefor. The rights and remedies of Charter Schools set forth herein are not exclusive, and Charter Schools may exercise any other right or remedy now or later available to it under this Agreement, at law or in equity.

Section 26. Capacity to Sign. All parties represent and warrant that they possess all necessary capacity and authority to sign and enter into this Agreement. Each individual signing this Agreement for a party which is a public agency, a corporation, a partnership, a limited liability company, or other legal entity, or signing under a power of attorney or as a trustee, guardian, conservator, or in any other legal capacity, represents and warrants that he or she has the necessary capacity and authority to act for, sign, and bind the respective entity or principal on whose behalf he or she is signing.

Section 27. Notice. Any notice required or permitted to be given under this Agreement shall be deemed to have been given, served and received if given in writing and personally delivered or either deposited in the United States mail, registered or certified mail, postage prepaid, return receipt required, or sent by overnight delivery service or facsimile transmission, addressed as follows:

If to the District:

Alameda Unified School District

Attn: Matt Huxley, Executive Director

Any notice personally given or sent by facsimile transmission shall be effective upon receipt. Any notice sent by overnight delivery service shall be effective the business day next following delivery thereof to the overnight delivery service. Any notice given by mail shall be effective three (3) days after deposit in the United States mail.

Section 28. Dispute Resolution. Notwithstanding anything in this Agreement to the contrary, disputes between Charter Schools and the District regarding this Agreement, including the alleged violation, misinterpretation, or misapplication of this Agreement, Proposition 39, or State Regulations shall be resolved using the dispute resolution process identified below.

The party initiating the dispute resolution process shall prepare and send to the other party a notice of dispute that shall include the following information: (1) the name, addresses and phone

numbers of designated representatives of the party (the designated representatives must be an employee(s) of Charter Schools or the District); (2) a statement of the facts of the dispute, including information regarding the parties attempts to resolve the dispute; (3) the specific sections of the Agreement that are in dispute; and (4) the specific resolution sought by the party. Within ten (10) business days from receipt of the notice of dispute, the representatives from Charter Schools shall meet with representatives from the District in an informal setting to try to resolve the dispute. If the informal meeting fails to resolve the dispute, the party initiating the dispute resolution process shall notify the other party (the responding party) in writing that it intends to proceed to mediation of the dispute and shall request the State Mediation and Conciliation Service to appoint a mediator within ten (10) business days to assist the parties in resolving the dispute (if the State Mediation and Conciliation Service ("SMCS") is unable or refuses to provide a mediator the parties shall mutually agree upon a mediator with fifteen (15) days from notice that SMCS will be unable to provide a mediator). The initiating party shall request appointment of a mediator who is available to meet as soon as possible but not later than 30 calendar days after receipt of the request for appointment. The party initiating the dispute shall forward a copy of the notice of the dispute to the appointed mediator. The responding party shall file a written response with the mediator and serve a copy on the initiating party within seven business days of the first scheduled mediation. The mediation procedure shall be entirely informal in nature; however, copies of exhibits upon which either party bases its case shall be shared with the other party in advance of the mediation. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the District and Charter Schools. Either party may seek equitable or injunctive relief prior to the mediation to preserve the status quo or prevent irreparable injury pending the completion of that process. Except for such an action to obtain equitable relief, neither party may commence a civil action with respect to the matters submitted to mediation until after the completion of the initial mediation session, or 45 calendar days after the date of filing the written request for mediation, whichever occurs first. Mediation may continue after the commencement of a civil action, if the parties so desire.

Section 29. Subcontract and Assignment. No party shall assign its rights, duties or privileges under this Agreement, nor shall a party attempt to confer any of its rights, duties or privileges under this Agreement on any third party, without the written consent of the other parties.

Section 30. Independent Status. This Agreement is by and between independent entities and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture, or association.

If either party files any action or brings any proceedings against the other arising out of this Agreement, the prevailing party shall be entitled to recover, in addition to its costs of suit and damages, reasonable attorneys' fees to be fixed by the court. The "prevailing party" shall be the party who is entitled to recover its costs of suit, whether or not suit proceeds to final judgment. No sum for attorneys' fees shall be counted in calculating the amount of a judgment for purposes of determining whether a party is entitled to its costs or attorneys' fees.

Section 34. Waiver. The waiver by any party of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

Section 35. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, and assigns.
