Bay Farm's Recycling Facts

- ▶ Our school diverts 85% of its trash to recycling.
- ▶ We do trash audits every year to see how we need to improve.
- ▶ We train all of our 604 students in the proper way to recycle and provide access to green education programs.
- ▶ All of our after school and PTA events are no-waste, green events.
- ▶ We use energy saving power strips.
- ▶ We continually strive to improve!
