

Long-Term Facilities Plan: School Consolidation Study Update

September 13, 2018

Background

- At its April 24, 2018 meeting, the Board of Education directed staff to prepare a timeline for the process of evaluating a high school consolidation.
- At its May 8, 2018 meeting, the Board of Education directed staff to continue with the design work at Encinal Jr. & Sr. High School but delay demolition and new construction.
- At its May 22, 2018 meeting, the Board directed staff to compile a committee of parents/guardians, staff, and students to review data and provide a report to the Board that will lay out several scenarios for what a District with one comprehensive high school would look like.
- At its June 26, 2018 meeting, the Board approved Superintendent's recommendation to appoint 15 members to the Committee to Consider High School Consolidation, but asked that four more students be chosen to sit on the committee.
- At its August 28 meeting, the Board approved Superintendent's recommendation to appoint 4 students and a CSEA-860 representative to the Committee to Consider High School Consolidation.

Committee Purpose *(as presented on May 22nd)*

- Gather data on how a comprehensive high school would work in AUSD
- Provide a written report that includes data and analysis on the components of a combined high school, including:
 - Demographics
 - Facilities
 - Educational programs
 - Student support services (including special education and intervention)
 - School climate
 - Athletics
 - Impact on neighborhood and wider island community (e.g., parking, transportation, local business areas)

Note: Committee will report the findings but make no recommendation.

Committee Purpose *(as presented on June 26th and August 28th)*

- Review data on the viability and effects of combining Alameda High School and Encinal High School into one comprehensive high school.
- Provide a report to the Board of Education that lays out several scenarios for what a district with one comprehensive high school could look like.
